The Office of Intermodal Planning and Investment (OIPI) is located within the Office of the Secretary of Transportation and was created in 2002 to support and advise the Secretary in his/her role as chairperson of the Commonwealth Transportation Board.

The goals of OIPI are to promote transparency and accountability of the programming of limited transportation funds; to ensure that the Commonwealth has a multimodal transportation system that promotes economic development, intermodal connectivity, environmental quality, accessibility for people and freight, and transportation safety; to encourage the use of data driven best practices to improve the efficiency and effectiveness of the Commonwealth's surface transportation network; and to promote the coordination between transportation investments and land use planning.

OIPI takes a leadership role across four key steps within the performance-based planning and programming process:

- Plan – Conduct statewide planning by establishing vision, goals, and objectives; identify and prioritize multimodal transportation needs; identify impacts of trends and establish long-term risks and opportunities; analyze and prioritize freight movement-related considerations; and build local capacity by providing technical assistance to promote OIPI’s goals.
- Develop – identify cost-effective solutions to multimodal transportation needs which can compete for funding through statewide programs
- Invest – prioritize capacity, operations, and TDM investments to improve and strengthen the network
- Manage – monitor and evaluate performance of investments to ensure progress is being made and allow for course corrections

In this role, OIPI collaborates with VDOT and DRPT and engages stakeholders and the public to conduct planning studies and technical analysis, prioritizes investments, and tracks system performance.

### VIRGINIA ALCOHOLIC BEVERAGE CONTROL AUTHORITY

---

Location:

Mechanicsville, VA 23116  
Tel. (804) 2134400

Code: § 4.1.200

Web Site:

<https://www.abc.virginia.gov>

Purpose:

The Virginia Alcoholic Beverage Control Authority (ABC) administers ABC laws with an emphasis on public safety by ensuring an orderly and regulated system for convenient sales and responsible consumption of alcohol. The General Assembly has determined that there exists in the Commonwealth a need to control the possession, sale, transportation, distribution, and delivery of alcoholic beverages in the Commonwealth. Further, the General Assembly determines that the creation of an authority for this purpose is in the public interest, serves a public purpose, and will promote the health, safety, welfare, convenience, and prosperity of the people of the Commonwealth. To achieve this objective, there is hereby created an independent political subdivision of the Commonwealth, exclusive of the legislative, executive, or judicial branches of state government, to be known as the Virginia Alcoholic Beverage Control Authority. The Authority's exercise of powers and duties conferred by this title shall be deemed the performance of an essential governmental function and a matter of public necessity for which public moneys may be spent.

#### **Virginia Alcoholic Beverage Control Board**

**Purpose:**

The Board is vested with the power to control the possession, sale, transportation and delivery of alcoholic beverages within the Commonwealth, and to establish and operate stores for the sale of distilled spirits. These powers are granted to the Board as a unit, not to any individual member. The Board has authorized Virginia ABC’s chief operating officer to manage day-to-day operations at the agency.

Virginia ABC Board members serve as administrative law judges for appeal hearings related to disciplinary matters involving licensees, contested ABC license applications and matters involving the beer and wine franchise acts. In this role, they conduct hearings, issue subpoenas requiring attendance of witnesses and the production of records, administer oaths and hear testimony.

The Board's authority includes final approval for executing leases, listing products for sale in ABC stores, submitting fund requests for agency appropriations and forecasting financial performance. It is required to submit an annual report to the Governor and General Assembly as well as submit a wine liter and malt beverage tax collections report to the Chairman of the House Appropriations Committee, Senate Finance Committee and the Virginia Wine Board each year.

## INTERSTATE COMPACTS

---

Compacts are agreements between two or more states that bind them to the compacts' provisions, just as a contract binds two or more parties in a business agreement. As such, compacts are subject to the substantive principles of contract law and are protected by the constitutional prohibition against laws that impair the obligations of contracts (United States Constitution, Article I, Section 10).

Compacting states are bound to observe the terms of their agreements, even if those terms are inconsistent with other state laws. Compacts between states are somewhat similar to treaties between nations. Compacts have the force and effect of statutory law (whether enacted by statute or not) and they take precedence over conflicting state laws, regardless of when those laws are enacted.

However, unlike treaties, compacts are not dependent solely upon the good will of the parties. Once enacted, compacts may not be unilaterally renounced by a member state, except as provided by the compacts themselves. Moreover, Congress and the courts can compel compliance with the terms of interstate compacts. This is why compacts are considered an effective means of ensuring interstate cooperation.

The membership listed in the following compacts pertains only to appointments made by the Governor from the citizens of the Commonwealth of Virginia.

The Court of Appeals of Virginia provides appellate review of circuit court decisions in civil, criminal, and administrative agency cases, and final decisions of the Virginia Workers' Compensation Commission. Most appeals to the Court of Appeals are a matter of right. The Commonwealth must petition the Court of Appeals if it wishes to appeal a decision in a criminal case pursuant to Virginia Code §17.1-406(A). The Court of Appeals also has jurisdiction to hear interlocutory appeals and petitions for review of injunctions through a discretionary petition process. The Court has original jurisdiction to issue writs of mandamus (ordering a public official to perform their duty), prohibition (ordering a public official to stop an action), and habeas corpus (ordering the official with custody to produce the detained person to the Court so it can determine whether such custody is proper) in any case over which the Court would have appellate jurisdiction. It also has jurisdiction in writs of actual innocence based on non-biological evidence.

## ABOUT VIRGINIA

---

### HISTORY OF THE GREAT SEAL OF THE COMMONWEALTH

Virginia’s great seal was adopted by the Virginia Convention on July 5, 1776. Its design was the work of a committee chaired by George Mason, who was the principal author of the Virginia Declaration of Rights and the first Virginia Constitution. George Wythe, Richard Henry Lee, and Robert Carter Nicholas also served as members of the committee. Taking its theme from ancient Roman mythology, the seal emphasizes the importance of civic virtue.

The original design was never cast properly, and a number of variations came into use. Attempting to legislate uniformity, the General Assembly of 1873 and 1903 passed acts describing the seal in detail. In 1930, a committee was named to prepare an “accurate and faithful description of the great seal of this Commonwealth, as it was intended to be by Mason and Wythe and their associates.” The committee set forth the official design in use today, which is essentially the design adopted by the Virginia Convention of 1776.

The obverse side of the great seal depicts the Roman goddess Virtus representing the genius of the Commonwealth. She is dressed as an Amazon, a sheathed sword in one hand and a spear in the other and

one foot on the form of Tyranny who is pictured with a broken chain in his left hand, a scourge in his right and his fallen crown nearby, implying that the struggle has ended in complete victory. Virginia's motto, "Sic Semper Tyrannis" (Thus Always to Tyrants), appears at the bottom.

On the reverse side of the seal are three Roman goddesses, Libertas (Liberty) in the center holding a wand and pileus in her right hand, Aeternitas (Eternity) with a globe and phoenix in her right hand, and Ceres (Fruitfulness) with a cornucopia in her left hand and an ear of wheat in her right. At the top is the word "Perserverando" (By Preserving). A border of Virginia creeper encircles the designs on each side.

The Art Commission established official colors in 1949 and a watercolor, the only official model for flag makers and stationers, hangs in the office of the Secretary of the Commonwealth.

The great seal, imprinted on two metallic discs two and one-fourth inches in diameter, is affixed to documents signed by the Governor and intended for use before tribunals or for purposes outside of the jurisdiction of Virginia. The lesser seal, a smaller version of the obverse side of the great seal (one and nine-sixteenth inches in diameter) is used on commissions for gubernatorial appointees and notaries, and to authenticate the signature of the Secretary of the Commonwealth.

The Secretary of the Commonwealth is designated by the *Code of Virginia* as the keeper of the seals.

## HISTORY AND FACTS ON VIRGINIA

### Capitol Building, Richmond

In 1607, the first permanent English settlement in America was established at Jamestown. The Jamestown colonists also established the first representative legislature in America in 1619. Virginia became a colony

in 1624 and entered the union on June 25, 1788, the tenth state to do so. Virginia was named for Queen Elizabeth I of England, the “Virgin Queen” and is also known as the “Old Dominion.” King Charles II of England gave it this name in appreciation of Virginia’s loyalty to the crown during the English Civil War of the mid-1600s. Virginia is designated as a Commonwealth, along with Kentucky, Massachusetts, and Pennsylvania. In 1779, the capital was relocated from Williamsburg to Richmond.

The cornerstone for the Virginia Capitol Building was laid on August 18, 1785, and the building was completed in 1792. Modeled after the Maison Carrée at Nîmes, France, the Capitol was the first public building in the United States to be built using the Classical Revival style of architecture. Thomas Jefferson designed the central section of the Capitol, including its most outstanding feature: the interior dome, which is undetectable from the exterior. The wings were added in 1906 to house the Senate and House of Delegates. In 2007, in time to receive the Queen of England during the celebration of the 400<sup>th</sup> anniversary of the Jamestown Settlement, the Capitol underwent an extensive restoration, renovation and expansion, including the addition of a state of the art Visitor’s Center that will ensure that it remains a working capitol well into the 21<sup>st</sup> Century. The Virginia state Capitol is the second oldest working capitol in the United States, having been in continuous use since 1788.

More information on the Capitol building can be found at <http://www.virginiacapitol.gov>.

Eight U.S. Presidents were born in Virginia: George Washington, Thomas Jefferson, James Madison, James Monroe, William Henry Harrison, John Tyler, Zachary Taylor, and Woodrow Wilson, giving Virginia the nickname the “Mother of Presidents.”

Virginia is also known as the “Mother of States.” All or part of the following eight states were formed from western territory once claimed by Virginia: Illinois, Indiana, Kentucky, Michigan, Minnesota, Ohio, West Virginia, and Wisconsin.

### **Why Virginia is a Commonwealth**

Virginia was first designated a Commonwealth during the Interregnum (“between reigns”) while Oliver Cromwell was the Lord Protector of England. Under Cromwell’s leadership, the colony of Virginia enjoyed greater freedom in self-government than it had before. From 1660 until the end of the American Revolution in 1781, Virginia was considered a royal British colony along with the other twelve colonies established in North America before the English Civil War.

Virginia’s first constitution was passed on June 29, 1776. The constitution directed that “Commissions and grants shall run, in the Name of the Commonwealth of Virginia, and bear teste by the Governor with Seal of the Commonwealth annexed.” It also states “Government is, or ought to be, instituted for the common benefit, protection, and security of the people...” and “That all power is vested in and consequently derived from, the people...” These statements are the foundation and heart of the meaning of the “Commonwealth of Virginia.” The delegates at the Williamsburg convention decided to name their new form of government the Commonwealth of Virginia, probably in deference to the rebellion against the Crown and the relative freedom they had enjoyed as a colony over one hundred years before and during the Interregnum.

While Virginia was the first Commonwealth, Massachusetts and Pennsylvania became Commonwealths after the War of Independence. Kentucky, formerly part of Virginia, kept the Commonwealth distinction when it was formed in 1792.

This piece is a compilation of texts written by Thomas M. Moncure, Jr. of George Mason University and Louise A. Arnatt, Deputy Secretary of the Commonwealth of Virginia for Governor Mark Warner. Both texts were compiled by Anne Forsythe.

It is difficult to compile a clear and comprehensive list of governors for the colonial period because of the governmental and administrative changes made in England, and due to the proxy system whereby the person bearing the title of Governor often resided in England while a deputy resided in the colony. During the exploration or pre-colonization period, the territory that became Virginia was directly under the crown. Under the charter granted to the London Company, the early government of Virginia was a company appointed council and president, often spoken of as governor. The first man ever to have the title “governor” was Lord Delaware, appointed in 1609. When the London Company lost its charter in 1624, Virginia became a royal colony, and the governor was appointed by the crown. Those appointed to the position often resided in England and were represented in Virginia by deputies. During this period Virginia still remained a resident council and if the governor or deputy governor was absent from the colony the president of the council served as acting governor. There was a break in royal control after the Civil War in England when Parliament allowed the colony to be almost completely self-governed. From 1652 to 1660 the General Assembly elected four Governors. Royal authority was restored in 1660, and from that date until the American Revolution in 1776 the Governors were appointed by the crown.

After the colony declared independence, a constitution was adopted which provided for the election of the governor by the General Assembly for a one-year term. A governor could be reelected to serve a total of three consecutive years. He could be reelected again only after a break in service. From 1776 to 1852 the governor was chosen by the state legislature. When the office became VACANT by death or resignation, the senior member of the Council of the State acted as governor until the Assembly was able to choose a successor. The Constitution of 1851 abolished the Council of State and provided for the popular election of the Governor for a four-year term. With the exception of the Reconstruction period 1865-1869, when provisional governors were designated by federal authorities, the governor has been elected by popular vote since 1852.

Information on Virginia Governors was obtained from *A Hornbook of Virginia History*, third edition, Edited by Emily J. Salmon, 1983.

## VIRGINIA INDIAN TRIBES

Archaeological evidence shows that people have been living in what is now Virginia as far back as 16-22,000 years ago. Virginia's modern-day tribes were firmly established in ancestral lands long before the English arrived to settle at Jamestown. These tribes contributed significantly to the newcomers' ability to survive those first few years upon their arrival to present-day Virginia. Over the four hundred years since the first permanent English settlement at Jamestown, Virginia's native people have contributed greatly to the vitality of the Commonwealth of Virginia, and the nation, and continue to do so.

The Commonwealth recognizes 11 Virginia Indian tribes: the Cheroenhaka (Nottoway) Indian Tribe, Chickahominy Indian Tribe, Chickahominy Indians Eastern Division, Mattaponi Indian Tribe, Monacan Indian Nation, Nansemond Indian Tribe, Nottoway Indian Tribe of Virginia, Pamunkey Indian Tribe, Patowomeck Indian Tribe of Virginia, Rappahannock Tribe, and the Upper Mattaponi Indian Tribe.

Seven of these tribes are federally recognized, including the Chickahominy Indians Eastern Division, Chickahominy Indian Tribe, Monacan Indian Nation, Nansemond Indian Nation, Pamunkey Indian Tribe, Rappahannock Tribe, and Upper Mattaponi Indian Tribe.

## EXECUTIVE ORDERS AND DIRECTIVES

---

Commonwealth of Virginia  
Office of the Governor

## Executive Order

### NUMBER ONE (2022)

### ENDING THE USE OF INHERENTLY DIVISIVE CONCEPTS, INCLUDING CRITICAL RACE THEORY, AND RESTORING EXCELLENCE IN K-12 PUBLIC EDUCATION IN THE COMMONWEALTH

By virtue of the authority vested in me as Governor, I hereby issue this Executive Order to ensure excellence in K-12 public education in the Commonwealth by taking the first step on Day One to end the use of inherently divisive concepts, including Critical Race Theory, and to raise academic standards.

#### Importance of the Initiative

The future of the Commonwealth of Virginia is chiefly dependent on the education of our children. Education has life-shaping power, and our educational system should instill in Virginia students a love for lifelong learning to ensure that they become their own best teachers. We must enable our students to take risks, to think differently, to imagine, and to see conversations regarding art, science, and history as a place where they have a voice.

Political indoctrination has no place in our classrooms. The vast majority of learning in our schools involves imparting critical knowledge and skills in math, science, history, reading and other areas that should be non-controversial. Inherently divisive concepts, like Critical Race Theory and its progeny, instruct students to only view life through the lens of race and presumes that some students are consciously or unconsciously racist, sexist, or oppressive, and that other students are victims. This denies our students the opportunity to gain important facts, core knowledge, formulate their own opinions, and to think for themselves. Our children deserve far better from their education than to be told *what to think*.

Instead, the foundation of our educational system should be built on teaching our students *how to think* for themselves. Virginia must renew its commitment to teaching our children the value of freedom of thought and diversity of ideas. We must equip our teachers to teach our students the entirety of our history – both good and bad. From the horrors of

American slavery and segregation, and our country's treatment of Native Americans, to the triumph of America's Greatest Generation against the Nazi Empire, the heroic efforts of Americans in the Civil Rights Movement, and our country's defeat of the Soviet Union and the ills of Communism, we must provide our students with the facts and context necessary to understand these important events. Only then will we realize Dr. Martin Luther King Jr.'s dream that our children "will not be judged by the color of their skin but by the content of their character."

The Constitution of Virginia requires that the Governor shall take care that the laws be faithfully executed. It further provides a right to be free from any governmental discrimination upon the basis of religious conviction, race, color, sex, or national origin. Critical race theory and related concepts are teaching our children to engage in the very behavior the Constitution prohibits.

### **Directive**

Accordingly, pursuant to the authority vested in me as the Chief Executive Officer of the Commonwealth, and pursuant to Article V of the Constitution and the laws of Virginia, I hereby order the following:

1. The Superintendent of Public Instruction shall review all policies within the Department of Education to identify those that promote inherently divisive concepts. Such policies shall be ended.
2. The Superintendent of Public Instruction shall immediately review all guidelines, websites, best practices, and other materials produced by the Department of Education to identify those that promote or endorse divisive or inherently racist concepts. Such shall be removed.
3. Executive Employees shall be prohibited from directing or otherwise compelling students to personally affirm, adopt, or adhere to inherently divisive concepts.
4. The Superintendent of Public Instruction shall review the Department of Education's Cultural Competency Training to determine if it or any portion promotes inherently divisive concepts, and take action consistent with the laws of Virginia to modify such training to end the use of inherently divisive concepts. In addition, the Superintendent shall make recommendations on how the Department of Education and school division can develop and make available to all teachers and school leaders model professional development and training so teachers and schools are prepared to engage students on important civics and historical issues in a fair and unbiased manner without imposing their own personal beliefs.
5. The Superintendent of Public Instruction shall review and revise or rescind Superintendent's Memo #050-19 to remove reference to any inherently divisive concepts.
6. The Superintendent of Public Instruction shall review all changes made to the Commonwealth of Virginia's public education curriculum within the last 48 months to identify inherently divisive concepts, including concepts or ideas related to Critical Race Theory, and initiate, through the regular curriculum re-evaluation process,

changes that will replace them with concepts and lessons that ensure all Virginia students are taught to respect all individuals regardless of their race, sex, or faith.

7. The Superintendent of Public Instruction shall review the “EdEquityVA” program and end any portion that promotes inherently divisive concepts.
8. The Superintendent of Public Instruction shall end the Virginia Math Pathways Initiative.
9. The Superintendent of Public Instruction shall provide a report to me and the Secretary of Education within 30 days any policies, programs, training, or curricula that falls within the definition of inherently divisive concepts and within 90 days identify any necessary executive and legislative actions needed to end use of all inherently divisive concepts in public education.
10. The Superintendent of Public Instruction shall review and immediately end the use of any portion of any Governor’s School program that promotes inherently divisive concepts.
11. The Superintendent of Public Instruction shall raise standards in K-12 education and immediately take steps to:
  - a. increase the transparency and honesty of performance measures for public elementary and secondary schools in the Commonwealth and ensure that such measures do not obscure or conceal disparities in performance among student groups;
  - b. ensure that performance measures for public elementary and secondary schools prioritize the attainment of grade-level proficiency in reading and mathematics for all students, especially in grades K-5;
  - c. ensure that the Commonwealth’s proficiency standards on Standards of Learning assessments in reading and mathematics are rigorous in comparison with assessments administered by other states and national assessments in reading; and
  - d. increase the number of academic-year Governor's Schools in the Commonwealth and maintain standards of excellence for students in all such schools.
  - e. ensure that parents are empowered with open access to information on primary instructional materials utilized in any school and that fair and open policies are in place to address any concerns or complaints in a timely and respectful manner.
12. The Superintendent of Public Instruction shall issue a report to the Secretary of Education and me within 90 days on the status of efforts to close the “achievement gap” in K-12 education, with recommendations for additional executive and

legislative actions that should be undertaken to ensure all students are graduating high school career and college ready.

13. The Superintendent of Public Instruction will initiate, through the regular curriculum re-evaluation process, changes that ensure Virginia students are given thorough and comprehensive education of world, United States, and Virginia history without the influence of inherently divisive concepts.

For the purposes of this Executive order “inherently divisive concepts” means advancing any ideas in violation of Title IV and Title VI of the Civil Rights Act of 1964, including, but not limited to of the following concepts (i) one race, skin color, ethnicity, sex, or faith is inherently superior to another race, skin color, ethnicity, sex, or faith; (ii) an individual, by virtue of his or her race, skin color, ethnicity, sex or faith, is racist, sexist, or oppressive, whether consciously or subconsciously, (iii) an individual should be discriminated against or receive adverse treatment solely or partly because of his or her race, skin color, ethnicity, sex or faith, (iv) members of one race, ethnicity, sex or faith cannot and should not attempt to treat others as individuals without respect to race, sex or faith, (v) an individual's moral character is inherently determined by his or her race, skin color, ethnicity, sex, or faith, (vi) an individual, by virtue of his or her race, skin color, ethnicity, sex, or faith, bears responsibility for actions committed in the past by other members of the same race, ethnicity, sex or faith, (vii) meritocracy or traits, such as a hard work ethic, are racist or sexist or were created by a particular race to oppress another race.

**Effective Date**

This Executive Order shall be effective upon its signing and shall remain in force and effect unless amended or rescinded by further executive order or directive.

Given under my hand and under the Seal of the Commonwealth of Virginia, this 15th day of January, 2022.

## *Executive Order*

**NUMBER TWO (2022)**  
**AND**  
**ORDER OF PUBLIC HEALTH EMERGENCY ONE**

**REAFFIRMING THE RIGHTS OF PARENTS IN THE  
UPBRINGING, EDUCATION, AND CARE OF THEIR CHILDREN**

By virtue of the authority vested in me as Governor, I hereby issue this Executive Order reaffirming the rights of parents in the upbringing, education, and care of their children.

**Importance of the Issue**

There is no greater priority than the health and welfare of Virginia's children. Under Virginia law, parents, not the government, have the fundamental right to make decisions concerning the care of their children.

Recent government orders requiring virtually every child in Virginia wear masks virtually every moment they are in school have proven ineffective and impractical. They have also failed to keep up with rapidly changing scientific information. For example, the August 12, 2021 Order of the State Health Commissioner explicitly relates to the Delta variant and not the Omicron variant, which results in less severe illness. The order states children under the age of 12 cannot obtain vaccines. Now children five and older are eligible. The order also states vaccination rates for children that are now out of date. The order notes that "universal and correct mask use" helps reduce transmission. As parents and educators have observed, many children wear masks incorrectly, providing little or no health benefit. The masks worn by children are often ineffective because they are made from cloth material, and they are often not clean, resulting in the collection of impurities, including bacteria and parasites. Additionally, wearing masks for prolonged periods of time, such as for an entire school day, decreases their effectiveness. Masking may be more or less effective dependent on the age of the child.

At the same time that a universal masking requirement in schools has provided inconsistent health benefits, the universal requirement has also inflicted notable harm and proven to be impracticable. Masks inhibit the ability of children to communicate, delay language development, and impede the growth of emotional and social skills. Some children report difficulty breathing and discomfort as a result of masks. Masks have also increased feelings of isolation, exacerbating mental health issues, which in many cases pose a greater health risk to children than COVID-19. Two years into the COVID-19 pandemic, mask mandates in schools have proved demoralizing to children facing these and other difficulties.

While the Center for Disease Control (CDC) recommends masks, its research has found no statistically significant link between mandatory masking for students and reduced transmission of COVID-19. And the CDC has acknowledged that certain masks may be ineffective due to the material from which they are made or how they are worn. A review of CDC, WHO, and other local and international health authorities' recommendations reveals a lack of consensus on the costs and benefits of mask-wearing for children in school for many of the reasons noted above.

In light of the variety of circumstances confronted by students in the Commonwealth, parents should have the ability to decide whether their child should wear masks for the duration of the school day. This approach is consistent with the broad rights of parents. The Commonwealth recognizes in § 1-240.1 of the *Code of Virginia*, that “a parent has a fundamental right to make decisions concerning the upbringing, education, and care of the parent’s child.” Permitting parents to make decisions on where and when to wear masks permits the Commonwealth’s parents to make the best decision for the circumstances confronting each child. Parents can assess the risks and benefits facing their child, consult their medical providers, and make the best decision for their children based on the most up to date health information available.

While parents of some students with conditions that increase the risks of COVID-19 infection might require their children to remain masked during the duration of the school day, other parents may require masks for a more limited duration, if at all.

Masks are not the only method to reduce transmission of COVID-19. Local schools must ensure they are improving inspection, testing, maintenance, repair, replacement and upgrades of equipment to improve the indoor air quality in school facilities, including mechanical and non-mechanical heating, ventilation, and air conditioning systems, filtering, purification, fans, control systems and window and door repair. Other mitigation efforts can be made in consultation with health authorities. The benefit of mitigation efforts must always be weighed against the cost to children’s overall wellbeing.

## **Directive**

Therefore, by virtue of the authority vested in me as Governor by Article V of the Constitution of Virginia, by § 44-146.17 of the *Code of Virginia*, by any other applicable law, and by virtue of the authority vested in the State Health Commissioner pursuant to §§ 32.1-13, 32.1-20, and 35.1-10 of the *Code of Virginia*, Executive Order Number Seventy-Nine (2021) is rescinded and the following is ordered:

1. The State Health Commissioner shall terminate Order of Public Health Emergency Order Ten (2021).
2. The parents of any child enrolled in a elementary or secondary school or a school based early childcare and educational program may elect for their children not to be subject to any mask mandate in effect at the child's school or educational program.
3. No parent electing that a mask mandate should not apply to his or her child shall be required to provide a reason or make any certification concerning their child's health or education.
4. A child whose parent has elected that he or she is not subject to a mask mandate should not be required to wear a mask under any policy implemented by a teacher, school, school district, the Department of Education, or any other state authority.
5. The Superintendent of Public Instruction shall rescind the Interim Guidance for COVID-19 Prevention in Virginia PreK-12 Schools, issued January 14, 2021, and updated October 14, 2021, and issue new guidance for COVID-19 Prevention consistent with this Order.
6. School districts should marshal any resources available to improve inspection, testing, maintenance, repair, replacement and upgrades of equipment to improve the indoor air quality in school facilities, including mechanical and non-mechanical heating, ventilation, and air conditioning systems, filtering, purification, fans, control systems and window and door repair.

**Effective Date of this Executive Order**

This Executive Order shall be effective 12:00 a.m., Monday, January 24, 2022, and shall remain in full force and effect until amended or rescinded by further executive order.

## *Executive Order*

### **NUMBER THREE (2022)**

#### **RESTORING INTEGRITY AND CONFIDENCE IN THE VIRGINIA PAROLE BOARD AND THE COMMONWEALTH'S SYSTEM OF CRIMINAL JUSTICE**

By virtue of the authority vested in me as Governor, I hereby issue this Executive Order to restore integrity and confidence in the Commonwealth's System of Criminal Justice by terminating the current Virginia Parole Board, naming five highly qualified individuals to the Parole Board, directing the Secretary of Public Safety to perform a programmatic review of the Parole Board's procedures, and requesting the Attorney General conduct a full investigation.

#### **Importance of the Initiative**

Article I, Section 8-A of the Constitution of Virginia affords certain rights to victims of crime in the Commonwealth, including the right to reasonable and appropriate notice, information, and protection. Virginia law further requires the Virginia Parole Board provide notice of its decision to grant discretionary parole or the conditional release of an inmate. Virginia law and internal policy and procedure manuals govern the Virginia Parole Board's decisions.

The Virginia Office of the State Inspector General ("OSIG") recently conducted an independent investigation into allegations involving the Virginia Parole Board. These allegations were brought forward by citizens, crime victims and their relatives, and elected Commonwealth's Attorneys. The OSIG investigation revealed some of the inmates released by the Virginia Parole Board had been recently denied parole or otherwise deemed ineligible for parole, raising questions about the lawfulness of the abrupt reversals of these decisions. The Virginia Parole Board also violated victims' rights and broke Virginia law by releasing multiple violent offenders without complying with the legally required notification to the victim or the prosecutor.

To this day, the family members and victims have no answers as to how or why the Virginia Parole Board failed to abide by the laws governing its operations, and no one has been held accountable.

We therefore must ensure confidence and integrity in our criminal justice system. Too often, victims of violent crime are ignored, silenced, and overlooked. Victims deserve to know their voices matter. In order to ensure that these mistakes never happen again, we must fully understand the decisions that led to them.

The Parole Board's failure to uphold the laws enacted by the General Assembly has damaged the integrity of the Commonwealth's System of Criminal Justice and undermined the confidence of our citizens. We therefore must reform the Virginia Parole Board and replace the current members with qualified and committed public safety experts who will uphold the law, properly apply the policies of the Board, and restore confidence and integrity in our system of criminal justice.

### **Directive**

Accordingly, pursuant to the authority vested in me as Chief Executive of the Commonwealth and pursuant to § 53.1-134 of the *Code of Virginia*, I hereby terminate the current parole board, and hereby appoint:

- The Honorable Chadwick Dotson of Wise County, Chairman
- Tracy Banks of the City of Charlottesville
- Cheryl Nici-O'Connell of Chesterfield County
- The Honorable Hank Partin, Sheriff, of Montgomery County
- Carmen Williams of Chesterfield County

Further, the Secretary of Public Safety and Homeland Security is directed to perform a programmatic review of the Parole Board's duties, procedures, and administration. The review shall include, but not be limited to, increasing the transparency of Parole Board votes, recording reasons for granting parole, and reviewing the management, personnel, and operations of the Parole Board.

This review shall provide recommendations for legislative, administrative, and policy changes that will improve the administration of the agency in fulfilling its solemn public safety mission.

This review shall be submitted to me no later than September 1, 2022.

### **Attorney General Authorization**

By virtue of the authority vested in me by § 2.2-511 of the *Code of Virginia*, I hereby request the Attorney General to coordinate the prosecutorial and investigative efforts and to bring such cases as he may deem appropriate in order to protect the citizens of the Commonwealth and hold accountable any individuals who have violated existing law or violated the rights of victims of crime.

### **Effective Date**

This Executive Directive shall be effective upon its signing and shall remain in force and effect unless amended or rescinded by future executive order or directive.

### **NUMBER FOUR (2022)**

#### **AUTHORIZING AN INVESTIGATION OF LOUDOUN COUNTY PUBLIC SCHOOLS BY THE ATTORNEY GENERAL**

By virtue of the authority vested in me as Governor, I hereby issue this Executive Order requesting the Attorney General conduct a full investigation into Loudoun County Public Schools.

#### **Importance of the Issue**

In the Spring of 2021, the Loudoun County School Board and the administration of the Loudoun County Public Schools were made aware of a sexual assault that occurred in a Loudoun County high school. A decision was made to transfer the assailant to another Loudoun County high school, where the student was able to commit a second sexual assault. The Loudoun County School Board and school administrators withheld key details and knowingly lied to parents about the assaults.

Neither the Loudoun County School Board, nor the administrators of the Loudoun County school system, have been held accountable for deceiving the very Virginians they serve. Virginia parents deserve answers and assurances that the safety of their children will never be compromised.

**Attorney General Authorization**

By virtue of the authority vested in me by §2.2-511 of the *Code of Virginia*, I am requesting the Attorney General to initiate and coordinate investigative and prosecutorial efforts and to take such actions as he may deem appropriate in order to protect the citizens of the Commonwealth and hold accountable any individuals who have violated existing law or violated the rights of victims of crime.

**Effective Date**

This Executive Directive shall be effective upon its signing and shall remain in force and effect unless amended or rescinded by future executive order or directive.

### **NUMBER FIVE (2022)**

#### **ESTABLISHING THE POSITION OF COMMONWEALTH CHIEF TRANSFORMATION OFFICER AND INITIATING REVIEW OF THE DEPARTMENT OF MOTOR VEHICLES AND THE VIRGINIA EMPLOYMENT COMMISSION**

By virtue of the authority vested in me as Governor, I hereby issue this Executive Order establishing the position of Commonwealth Chief Transformation Officer within the Office of the Governor, and direct him to begin his review of all government agencies with the Department of Motor Vehicles and the Virginia Employment Commission.

#### **Importance of the Initiative**

Virginia is fortunate to have many dedicated and hard-working individuals serving our Commonwealth. The workforce of our state government is one of our Commonwealth's greatest resources. However, we must constantly pursue improvements to the function of our government. The performance of the state government should be measured by the satisfaction of its citizens. And when government fails to meet the needs of its citizens, it is the duty of the Chief Executive Officer to hear these complaints, duly consider their merits, and produce speedy reforms. Sometimes, in the performance of this duty, it will be necessary and beneficial to utilize outside experts to assist state government in performing at the standards our citizens demand.

The performance of two state agencies, in particular, underscores the necessity of our continued pursuit of improvement in our government. In recent years, the Virginia Employment Commission (VEC) and the Department of Motor Vehicles (DMV) have fallen short of

performing at the high standard set by our citizens. Both agencies provide essential services to Virginians, and the success of their missions are directly dependent on their ability to serve their customers.

These and other agencies require analysis to identify areas of improvement and ensure that our government is transparent, accountable, and working for the citizens of the Commonwealth. A team with expertise, imagination, and enthusiasm for delivery of services, the Commonwealth's operations and finances, and customer satisfaction is necessary to accomplish these goals.

### **Directive**

By virtue of the authority vested in me as Governor under Article V of the Constitution of Virginia, and the *Code of Virginia*, and subject to my continuing and ultimate authority and responsibility to act in such matters, I hereby establish the position of Commonwealth Chief Transformation Officer within the Office of the Governor. The Commonwealth Chief Transformation Officer will serve in the Governor's Cabinet.

The Commonwealth Chief Transformation Officer, and such other employees within the Office of the Governor as so designated, shall comprise the Office of Transformation.

The primary responsibilities of the Commonwealth Chief Transformation Officer will be to help build a culture of transparency, accountability, and constructive challenge across our government; ensure employees at all levels of government are reminded that our government works for the citizens of Virginia; drive changes improving the effectiveness and efficiency of our government through tracking key performance metrics; identify, coordinate, and lead targeted transformation efforts; and all other duties and responsibilities as determined and assigned by the Governor.

While the Commonwealth Chief Transformation Officer's work will stretch across all government, he shall begin his work with a review of the operations of the Virginia Employment Commission and the Virginia Department of Motor Vehicles.

**Effective Date**

This Executive Order shall be effective upon its signing and shall remain in force and effect unless amended or rescinded by further executive order or directive.

## *Executive Order*

### **NUMBER SIX (2022)**

#### **REINVIGORATING JOB GROWTH BY REMOVING BURDENSOME REGULATIONS FROM VIRGINIA'S BUSINESS COMMUNITY**

By virtue of the authority vested in me as Governor, I hereby issue this Executive Order to ensure Virginia is open for business.

#### **Importance of the Initiative**

Businesses across the Commonwealth of Virginia faced unprecedented challenges throughout the COVID-19 pandemic. From government mandated closures, lockdowns, and restrictions to supply chain disruptions to staffing shortages, the effects of the pandemic undoubtedly made running a business in Virginia more difficult. Unfortunately, our government contributed to these difficulties.

The "Permanent Standard for Infectious Disease Prevention of the SARS-CoV-2 Virus That Causes COVID-19," as implemented by the Safety and Health Codes Board, is not having a measurable impact on preventing the spread of COVID-19 while presenting a significant burden on businesses. Overly burdensome and time-consuming training requirements for employees inhibit the hiring of new workers. Conflicting state and federal regulations cause confusion. Unnecessary restrictions impede daily activities.

Further, it appears the "Permanent Standard for Infectious Disease Prevention of the SARS-CoV-2 Virus That Causes COVID-19" was not enacted consistent with the Administrative Process Act as required by law and, in any event, was adopted in a rushed process that provided limited opportunity for the public to review and comment on the proposed

permanent regulations. It is critical that a standard such as this, which substantially impacts the lives and legal rights of our businesses and our citizens, be enacted through a process consistent with the law and the democratic principles fundamental to our Commonwealth.

The Department of Labor and Industry has many important responsibilities in protecting the interests of Virginia's workers, and our government and our businesses must work together to combat COVID-19.

However, regulations that do little to protect our citizens while imposing heavy burdens on our businesses are not in the best interest of our Commonwealth. This is particularly true when a regulation substantially impacts the legal rights our business and our citizens and is of questionable legality. Under these circumstances, to protect the rights of the citizens of our Commonwealth, our government should focus its limited resources on enforcement activities that further the interests of our citizens.

### **Directive**

By virtue of the authority vested in me as Governor, by Article V, Sections 1 and 7 of the Constitution of Virginia, and by § 2.2-103 of the Code of Virginia, I direct the following:

1. The Safety and Health Codes Board is to convene an emergency meeting of their membership to discuss whether there is a continued need for the "Permanent Standard for Infectious Disease Prevention of the SARS-CoV-2 Virus That Causes COVID-19." The board is directed to consider federal action in regard to the Occupational Safety and Health Administration Emergency Temporary Standard. The Board should report its findings to the Governor within 30 days.
2. The Board and the Department of Labor of Industry is directed to seek guidance from the Office of the Attorney General regarding whether the proper legal and administrative procedures were followed during adoption and promulgation of the Permanent Standards.
3. As a matter of enforcement discretion, all Virginia Agencies of the Commonwealth under my authority are directed to focus their limited resources on enforcement activities that have the most impact with the least burden on our business and citizens.

**Effective Date**

This Executive Order shall be effective upon its signing and shall remain in force and effect unless amended or rescinded by future executive order or directive.

## Executive Order

### **NUMBER SEVEN (2022)**

#### **ESTABLISHING THE COMMISSION ON HUMAN TRAFFICKING PREVENTION AND SURVIVOR SUPPORT**

By virtue of the authority vested in me as Governor, I hereby issue this Executive Order establishing a commission to prevent human trafficking and provide support to its victims.

#### **Importance of the Initiative**

Human trafficking is a global epidemic. Through force, fraud, or coercion, criminals exploit men, women, and children into sex trafficking and forced labor. Around the world, at any given moment, an estimated 24.9 million people are victims of this criminal exploitation. Our Commonwealth has not been spared from the reach of these abhorrent crimes. According to Polaris, a nonprofit resource and advocacy center combating human trafficking, there were 179 cases of trafficking and seventy-seven traffickers identified in Virginia in 2019 alone.

Virginia is committed to ending the scourge of human trafficking. Each day, our law enforcement officers and court systems work to apprehend, prosecute, and bring to justice those responsible for the exploitation of their fellow human beings. The conviction of human traffickers, restitution for their victims, and assistance for the survivors remains a top public safety priority for the Commonwealth. We must remain proactive in our efforts and ensure the dedicated professionals who work tirelessly to combat human trafficking are equipped with the tools necessary to win this fight.

#### **Establishment of the Commission**

Accordingly, by virtue of the authority vested in me as Governor, under Article V of the Constitution of Virginia and §§ 2.2-134 and 2.2-135 of the *Code of Virginia*, and subject to my continuing and ultimate authority and responsibility to act in such matters, I hereby establish the Human Trafficking Prevention and Survivor Support Commission (Commission).

## **Composition and Support of the Commission**

The Governor will appoint the members and chair(s) of the Commission; the Sex Trafficking Response Coordinator will also participate in the Commission.

The Governor will select survivors of human trafficking, law enforcement officers, prosecutors, experts, and scholars with knowledge of and/or experience with human trafficking, and victims of human trafficking. In carrying out its duties, the Commission may appoint working groups as it deems appropriate, and may solicit participation from relevant subject matter experts, law enforcement, practitioners, and analysts.

Staff support for the Commission will be provided by the Office of the Governor and any other agencies or offices as may be designated by the Governor. An estimated 250 hours of staff time will be required to support the work of the Commission. No direct costs are expected for the work of the Commission.

## **Duties of the Commission**

The Commission will be responsible for coordinating with the Secretary of Public Safety, the Secretary of Education, the Secretary of Labor, the Office of Attorney General, as well as the State Coordinator and any other federal, state, local, or private sector entity to accomplish the following goals:

1. Increase enforcement by:
  - a. Coordinating with state and local law enforcement, Commonwealth's Attorneys, and U.S. Attorneys to increase prosecution and seek jail time as opposed to just fines for those who solicit prostitution;
  - b. Increasing targeting of illicit massage businesses by coordinating with local law enforcement, private property owners, regulatory boards, and increasing investigation into tax compliance;
  - c. Collaborating with authorities to ensure social media and technology companies actively fight trafficking on their platforms;
  - d. Ensuring all law enforcement officers are thoroughly trained in identifying trafficking cases and protocols for working with victims;
2. Empower survivors by:
  - a. Partnering with nonprofits and the private sector to increase the provision of resources survivors need for mental and behavioral recovery and wellness;
  - b. Fostering public private partnerships to educate, train, and empower survivors towards a career path;

- c. Fostering public private partnerships to assist victims in securing temporary and long-term housing options.
- 3. Enhance education by:
  - a. Increasing awareness of the signs of potential trafficking and appropriate ways to intervene, including for teachers and school officials;
  - b. Requiring schools to provide online safety training and education;
  - c. Expanding awareness of the National Trafficking Hotline and other resources for victims to report and receive assistance to escape trafficking.

The Commission and its subgroups will meet upon the call of the Chair(s) and will issue an interim report with its findings and recommendations no later than September 1, 2022, and any additional reports and recommendations as necessary or as requested by the Governor. This report may also include a proposed framework for the continuation of the Commission’s work. The Commission’s findings and recommendations will be distributed to promote best practices across the Commonwealth.

**Effective Date of the Executive Order**

This Executive Order shall be effective upon signing and shall remain in full force and effect for one year from its signing, unless amended or rescinded by further executive order.

### **NUMBER EIGHT (2022)**

#### **ESTABLISHING THE COMMISSION TO COMBAT ANTISEMITISM**

By virtue of the authority vested in me as Governor, I hereby issue this Executive Order establishing a commission to combat antisemitism in the Commonwealth of Virginia.

#### **Importance of the Initiative**

The Commonwealth of Virginia has been a pioneer for religious freedom since the earliest days of our nation. Tomorrow, January 16, 2022, will be the 236<sup>th</sup> anniversary of the Virginia General Assembly enacting the Virginia Statute for Religious Freedom; promising that no man “shall otherwise suffer on account of his religious opinions or belief.” These words – as important today as when first written – remain enshrined in our Constitution and provide the basis of our enduring commitment to religious tolerance and equality.

Our nation and our Commonwealth have seen an intolerable rise in antisemitism in recent years. Antisemitism, as defined by the International Holocaust Remembrance Alliance, “is a certain perception of Jews, which may be expressed as hatred toward Jews. Rhetorical and physical manifestations of antisemitism are directed toward Jewish or non-Jewish individuals and/or their property, toward Jewish community institutions and religious facilities.” Sadly, in 2020, Virginians experienced a record number of antisemitic incidents. This disturbing trend has brought to the forefront the necessity of a targeted effort to combat the rising threat of antisemitism and ensure all Virginians are free to live their lives without the threat of harassment, violence, or discrimination. Every manifestation of antisemitism or Holocaust denial is an affront to our society and will not be accepted in the Commonwealth of Virginia.

Virginia must once again lead the way in ensuring religious freedom and equality for all citizens. We must reaffirm our commitment to stand against hatred and intolerance, and develop an actionable plan to combat antisemitism in our Commonwealth. A commission will help us

better understand the scourge of antisemitism and represents a meaningful first step towards ensuring a Commonwealth free from antisemitic harassment, violence, or discrimination in the lives of Jewish Virginians.

### **Establishment of the Commission to Combat Antisemitism**

Accordingly, by virtue of the authority vested in me as Governor, under Article V of the Constitution of Virginia and §§ 2.2-134 and 2.2-135 of the *Code of Virginia*, and subject to my continuing and ultimate authority and responsibility to act in such matters, I hereby establish the Commission to Combat Antisemitism (Commission).

The purpose of this Commission is to study antisemitism in the Commonwealth, propose actions to combat antisemitism and reduce the number of antisemitic incidents, as well as compile materials and provide assistance to Virginia's public school system and state institutions of higher education in relation to antisemitism and its connection to the Holocaust.

The Commission shall make recommendations to the Governor and General Assembly with the goal of identifying ways to reverse increasing antisemitic incidents in the Commonwealth.

### **Composition and Support of the Commission**

The Governor will appoint the members and Chair(s) of the commission. The Governor will select community and faith leaders, experts, and scholars with experience of and/or knowledge of antisemitism.

The Governor may appoint other members at any time to carry out the assigned functions of the Commission. The Commission will have an advisory role and the members will serve without compensation, in accordance with § 2.2- 2100 of the *Code of Virginia*. In carrying out its duties, the Commission may appoint working groups as it deems appropriate, and may solicit participation from relevant subject matter experts, practitioners, and analysts.

Staff support for the Commission will be provided by the Office of the Governor and any other agencies or offices as may be designated by the Governor. An estimated 250 hours of staff time will be required to support the work of the Commission. No direct costs are expected for the work of the Commission.

### **Duties of the Commission**

The Commission will meet upon the call of the Chair(s) and will issue an interim report with its findings and recommendations no later than December 1, 2022, International Holocaust Remembrance Day, and any additional reports and recommendations as necessary or as requested by the Governor. This report may also include a proposed framework for the continuation of the Commission's work. The Commission's findings and recommendations will be distributed to promote best practices across the Commonwealth.

### **Effective Date of the Executive Order**

This Executive Order shall be effective upon signing and shall remain in full force and effect for one year from its signing, unless amended or rescinded by further executive order.

### **NUMBER NINE (2022)**

#### **PROTECTING RATEPAYERS FROM THE RISING COST OF LIVING DUE TO THE REGIONAL GREENHOUSE GAS INITIATIVE**

By virtue of the authority vested in me as Governor, I hereby issue this Executive Order to re-evaluate Virginia's participation in the Regional Greenhouse Gas Initiative and immediately begin regulatory processes to end it.

#### **Importance of the Initiative**

Reliable and affordable access to electricity is imperative to the health and safety of all Virginians. Our hospitals, schools, businesses, and homes all rely on this essential service. And the unpredictable and rising cost of electricity poses a significant and immediate threat to our Commonwealth and its citizens. In 2019, alone, over 100,000 Virginian households required Energy Assistance with a cost of \$46 million to the Commonwealth.

Virginia's participation in the Regional Greenhouse Gas Initiative (RGGI) risks contributing to the increased cost of electricity for our citizens. Virginia's utilities have sold over \$227 million in allowances in 2021 during the RGGI auctions, doubling the initial estimates. Those utilities are allowed to pass on the costs of purchasing allowances to their ratepayers. Under the initial bill "RGGI rider" created for Dominion Energy customers, typical residential customer bills were increased by \$2.39 a month and the typical industrial customer bill by was raised by \$1,554 per month. In a filing before the State Corporation Commission, Dominion Energy stated that RGGI will cost ratepayers between \$1 billion and \$1.2 billion over the next four years.

Simply stated, the benefits of RGGI have not materialized, while the costs have skyrocketed. Re-evaluation of the Initiative represents a meaningful step toward alleviating this financial burden on the Commonwealth's businesses and households. Regulations must be evaluated in view of the costs and benefits to all Virginians.

### **Directive**

Accordingly, by virtue of the authority vested in me as the Chief Executive Officer of the Commonwealth, and pursuant to Article V of the Constitution and the laws of Virginia, I hereby direct the Director of the Department of Environmental Quality, in coordination with the Secretary of Natural and Historic Resources, to take the following actions in accordance with the provisions and requirements of § 10.1-1300, et seq. and § 2.2-4000, et seq. of the *Code of Virginia*:

1. Provide me a full report re-evaluating the costs and benefits of participation in the Regional Greenhouse Gas Initiative Inc. in view of all available data, within 30 days.
2. During this same period, develop a proposed emergency regulation for the State Air Pollution Control Board's consideration to repeal 9VAC5-140.
3. During this same period, take all necessary steps to so that any proposed regulation to the State Air Pollution Control Board can be immediately presented for consideration for approval for public comment in accordance with the Board's authority pursuant to § 10.1-1308 of the *Code of Virginia*.
4. During this same period, notify the Regional Greenhouse Gas Initiative Inc. (RGGI Inc.) of the review and the Governor's intent to withdraw from RGGI, whether by legislative or regulatory action.

### **Effective Date**

This Executive Order shall be effective upon its signing and shall remain in force and effect unless amended or rescinded by further executive order or directive.

**NUMBER TEN (2022)**

**FOCUSING VIRGINIA'S DIVERSITY, EQUITY, AND INCLUSION OFFICE  
AND DESIGNATING A COMMONWEALTH CHIEF DIVERSITY,  
OPPORTUNITY,  
& INCLUSION OFFICER**

By virtue of the authority vested in me as Governor, I hereby issue this Executive Order to strengthen and focus the Office of Diversity, Equity, and Inclusion by including in its duties the expansion of entrepreneurship and economic opportunity for all Virginians, the promotion of diverse free speech and inclusive civil discourse, and a role in promoting the honest and complete teaching of history.

### Importance of the Initiative

The Commonwealth of Virginia is a strong and diverse state, rich in history and ripe with opportunity. Our people are resilient, optimistic, and courageous; they hail from every corner of the globe, with inspiring backgrounds and distinct cultures. Most of all, every one of us is made in the image of our Creator.

Since the first settlers arrived little more than 400 years ago, we've been an imperfect people on the course to a more perfect union. At times we've truly failed to live up to our ideals. But we all want to do what is right and what is morally just even if we fall short. What is seared in our heart by a loving, almighty Creator is not a desire for power or conquest, not a love of self, or personal advancement. Rather it's a belief that life is worth living when we serve a greater cause than self when we love without expecting favor in return and when we set aside ego for the greater good. We are one Virginia. We are all sailing in the same boat.

Yet, we acknowledge that too many of our citizens have not received the equal opportunity they deserve, and we recognize that diversity when genuinely embraced strengthens our Commonwealth. Every Virginian deserves dignity and respect, deserves the opportunity to pursue their dreams and deserves inclusion in the Virginia family.

To accomplish this, we must strengthen and focus the Office of Diversity, Equity and Inclusion (ODEI) by including in its mission the promotion of entrepreneurship and economic opportunity for all Virginians — including Virginians with disabilities — as well as the promotion of free speech and civil discourse.

### Directive

Accordingly, by virtue of the authority vested in me as Governor under Article V of the Constitution of Virginia, and the Code of Virginia, and subject to my continuing and ultimate authority and responsibility to act in such matters, I hereby order:

1. Angela Sailor is appointed as Director of the Office of Diversity, Equity and Inclusion, and is hereby designated to serve in the Governor's Cabinet as the Commonwealth Chief Diversity, Opportunity & Inclusion Officer, and in addition to the statutory duties prescribed:
2. The Chief Diversity, Opportunity & Inclusion Officer will promote ideas, policies, and practices in coordination with the Secretary of Commerce and Trade to expand entrepreneurship and economic opportunities for disadvantaged Virginians, including Virginians living with disabilities.
3. The Chief Diversity, Opportunity & Inclusion Officer will also facilitate bringing Virginians of different faiths together in service to their communities and the Commonwealth.
4. The Chief Diversity, Opportunity & Inclusion Officer will also promote free speech and civil discourse in civic life, including viewpoint diversity in higher education in coordination with the Secretary of Education.
5. The Chief Diversity, Opportunity & Inclusion Officer will also work to promote ideas, policies, and practices to eliminate disparities in pre-natal care, and be an ambassador for unborn children.
6. The Chief Diversity, Opportunity & Inclusion Officer will also be responsive to the rights of parents in educational and curricular decision making and ensure, in coordination with the Secretary of Education, that the teaching of Virginia's and the United States' history is honest, objective, and complete.

7. The Chief Diversity, Opportunity & Inclusion Officer will also have other responsibilities consistent with the spirit of the Office and this Order as assigned by the Governor or the Chief of Staff.

Effective Date

This Executive Order shall be effective upon its signing and shall remain in force and effect unless amended or rescinded by future executive order or directive.

Given under my hand and under the Seal of the Commonwealth of Virginia, this 19<sup>th</sup> day of January, 2022.

### **NUMBER ELEVEN (2022)**

#### **PROVIDING FLEXIBILITY TO HOSPITALS, HEALTH SYSTEMS, NURSING HOMES, CERTIFIED NURSING FACILITIES, AND OTHER HEALTH CARE PROVIDERS TO COMBAT COVID-19**

By virtue of the authority vested in me as Governor, I hereby issue this Executive Order to provide flexibility to hospitals, health systems, nursing homes, certified nursing facilities, and other health care providers to combat COVID-19. This order expires February 21, 2022.

#### **Importance of the Initiative**

Over the last two years, Virginia's hospitals, health systems, nursing homes and certified nursing facilities, emergency medical services, and other health care providers have been on the frontlines responding to the novel coronavirus (COVID-19) pandemic. The relentless pace of the pandemic has had an innumerable burden on our health care system, exacerbating pre-existing workforce shortages and creating new challenges. Our frontline health care workers are tired, facing unprecedented burnout, and grappling with their own mental and physical health, but yet, they continue to sacrifice time with their loved ones over holidays, special occasions, and weekends so that they can continue to provide care for their neighbors. Virginia is grateful to these heroes and humbled by their daily service.

The increase in hospitalizations, combined with severe staffing shortages universally experienced across the Commonwealth and nationwide, is placing an unsustainable strain on our health care system and health care workforce. Given these challenges, it is critical that the Commonwealth extend to hospitals, health systems, nursing homes, certified nursing facilities, and other health care providers every available flexibility and waiver necessary to ensure that our health care system has the resources needed to care for patients and communities. Any and all measures are needed to expand the workforce, meet surge demand, and leverage other tools and technologies to respond to this crisis, provide relief for our overburdened frontline workers, and ensure their safety and that of their patients.

The General Assembly afforded immunity from certain liability in circumstances such as those presented by the COVID-19 health crisis. §§ Sections 8.01-225.01 and 8.01-225.02 of the *Code of Virginia* provide certain liability protection to all health care providers during a state of emergency. § Section 44-146.23 of the *Code of Virginia* provides certain liability protection to public and private agencies and their employees engaged in emergency services activities, which include medical and health services.

### **Directive**

Therefore, on this date, January 20, 2022, I declare that a limited state of emergency exists in the Commonwealth of Virginia due to COVID-19, a communicable disease of public health threat and its impact on the health care system and its workforce. The effects of COVID-19 constitute a disaster as described in § 44-146.16 of the Code of Virginia (Code). By virtue of the authority vested in me by Article V of the Constitution of Virginia and by § 44-146.17 of the Code, I declare that a limited state of emergency exists in the Commonwealth of Virginia. In order to marshal all public resources and appropriate preparedness, response, and recovery measures, I order the following actions:

1. I authorize for the Commissioner of the Virginia Department of Health, the Commissioner of the Department of Behavioral Health and Developmental Services, the Director for the Department of Medical Assistance Services and the Director of the Department of Health Professions, on behalf of their regulatory boards as appropriate, and with the concurrence of the Secretary of Health and Human Resources, to waive any state regulation, and enter into contracts as required to implement this order without regard to normal procedures or formalities, and without regard to application or permit fees or royalties. All waivers issued by agencies shall be posted on their websites.
2. Notwithstanding the provisions of Article 1.1 of Chapter 4 of Title 32.1 of the Code, I further direct the State Health Commissioner, at his discretion, to authorize any general hospital or nursing home licensed or exempt from licensure by the Virginia Department of Health (VDH) to increase licensed bed capacity as determined necessary by the Commissioner to respond to increased demand for beds resulting from COVID-19, including plans for safely staffing services across the facility. Notwithstanding § 32.1-132 of the Code, I further direct that any beds added by a general hospital or nursing home pursuant to an authorization of the Commissioner under this Order will constitute licensed beds that do not require further approval or the issuance of a new license. Any authorization by the Commissioner to increase bed capacity, and the authority for any resulting increased number of beds, will expire 30 days after the expiration or rescission of this Order, as it may be further amended. To provide relief on existing bed capacity, and notwithstanding any contract provision of § Title 32.1 of the Code, I also direct the State Health Commissioner to authorize programs to allow hospitals to offer intensive at-home treatment enabled by digital technologies, multidisciplinary teams, and ancillary

services consistent with the Centers for Medicare & Medicaid Services (CMS) Acute Hospital Care at Home Program, provided that a hospital has received a waiver from CMS of 42 CFR § 482.23(b)(1) of the Hospital Conditions of Participation.

3. Notwithstanding any contrary provision in Title 54.1 of the Code, in order to relieve the capacity strain on bedside care and support resulting from staffing shortages, a license issued to a health care practitioner, pharmacist, pharmacy intern, or pharmacy technician by another state, and in good standing with such state, shall be deemed to be an active license or registration issued by the Commonwealth to provide health care or professional services as a health care practitioner of the same type for which such license or registration is issued in another state provided the health care practitioner is engaged by a hospital (or an affiliate of such hospital where both share the same corporate parent), licensed nursing home, certified nursing facility, dialysis facility, the VDH, or a local or district health department for the purpose of assisting that facility with public health and medical and health operations. Hospitals, licensed nursing homes, certified nursing facilities, dialysis facilities, and health departments must submit to the applicable licensing authority each out-of-state health care practitioner's name, license type, state of license, and license identification number within a reasonable time of such health care practitioner providing services at the applicable facility in the Commonwealth.
4. Health care physical or behavioral health care practitioners with an active license issued by another state may provide continuity of care to their current patients who are Virginia residents through telehealth services. Establishment of a relationship with a new patient requires a Virginia license unless pursuant to paragraph 3 of this Order.
5. Physician assistants licensed in Virginia with two or more years of clinical experience may practice in their area of knowledge and expertise and may prescribe without a written or electronic practice agreement.
6. A health care practitioner or behavioral health care may use any non-public facing audio or remote communication product that is available to communicate with patients, provided that such communication product is not inconsistent with the waivers and flexibilities issued by the United States Department of Health and Human Services and the Centers for Medicare and Medicaid Services. This exercise of discretion applies to telehealth services provided for both COVID-19 and for other diagnosis and treatment services unrelated to COVID-19.
7. A licensed practical nurse may administer the COVID-19 vaccine without the supervision of a registered nurse or licensed medical practitioner.

8. Licensed health professionals of health systems or hospitals whose scope of practice includes administration of the vaccine and who have administered the COVID-19 vaccine in a health system or hospital setting may administer the COVID-19 vaccine at any point of distribution that is held in collaboration between a health system or hospital and a local health department without undergoing additional training.
9. A local health department may collaborate with a federal health facility, whether civilian or military, for the purpose of COVID-19 vaccine administration. Federal personnel whose scope of practice includes vaccination may serve with the Medical Reserve Corps after a training and skills assessment as required by VDH.
10. The Department of Medical Assistance Services (DMAS) shall suspend pre-admission screening pursuant to § 32.1-330 of the Code. All new nursing home admissions will be treated as exempted hospital discharges. Community based LTSS screening teams shall be exempt from face-to-face screenings and may screen for nursing home admission from a community setting or waiver services using telehealth or telephonic screening.
11. DMAS shall waive requirements pursuant to § 32.1-325(A)(14) of the Code concerning certificates of medical necessity. Any supporting verifiable documentation requirements are waived with respect to replacement of durable medical equipment (DME). DMAS shall also suspend enforcement of additional replacement requirements for DME, prosthetics, orthotics, and supplies that are lost, destroyed, irreparably damaged, or otherwise rendered unusable, such that the face-to-face requirement, a new physician's order, and new medical necessity documentation are not required for replacement equipment.
12. Any health care provider as defined in §32.1-127.1:03 of the Code, or any other person permitted by law to administer the COVID-19 vaccine, who administers COVID-19 immunizations, shall report to the Virginia Immunization Information System in a manner consistent with the Virginia Immunization Information System Regulations.
13. The number of technicians a pharmacist may supervise shall be increased. No pharmacist shall supervise more than five persons performing the duties of a pharmacy technician at one time. Pharmacy technicians performing COVID-19 administrative tasks will not be counted in the ratio count.
14. Emergency Medical Services (EMS) agencies shall continue to coordinate and work with health care providers to address the overwhelming demands and capacity shortages being experienced by EMS agencies and other first responders. This includes strategies to

manage and coordinate pre-hospital care as well as patient discharge and transport.

15. Temporary nurse aides practicing in long term care certified nursing facilities under the federal Public Health Emergency 1135 Waiver may be deemed eligible by the Board of Nursing to take the National Nurse Aide Assessment Program examination upon submission of a completed application, the employer's written verification of competency and employment as a temporary nurse aide, and provided no other grounds exist under Virginia law to deny the application.
16. Copays required under § 32.1-351(C) of the Code for Virginians receiving health insurance through the Family Access to Medical Insurance Security Plan are waived.
17. Personal care, respite, and companion providers in the agency- or consumer-directed program, who are providing services to individuals over the age of 18, may work for up to 60 days, as opposed to the current 30-day limit in § 32.1-162.9:1 of the Code, while criminal background registries are checked. Consumer-directed Employers of Record must ensure that the attendant is adequately supervised while the criminal background registry check is processed. Agency providers must adhere to current reference check requirements and ensure that adequate training has occurred prior to the aide providing the services in the home. Agency providers shall conduct weekly supervisory visits through telehealth methods when the aide works prior to receiving criminal background registry results. This section does not apply to services provided to individuals under the age of 18, with the exception of parents of minor children in the consumer-directed program.
18. Requirements under § 2.2-4002.1 of the Code related to the 30-day advance -public notice and comment period are waived as to DMAS only, so that DMAS can issue Medicaid Memos to ensure that health care providers receive immediate information on flexibilities to ensure access to care for Medicaid members.

**Effective Date**

### **NUMBER 12 (2022)**

#### **DECLARATION OF A STATE OF EMERGENCY DUE TO SEVERE WINTER WEATHER**

##### **Importance of the Issue**

On this date, January 20, 2022, I declare that a state of emergency exists in the Commonwealth of Virginia to prepare and coordinate our response to severe winter weather. The Virginia Emergency Operations Center has been actively monitoring the movement of two major winter weather systems heading toward Virginia, with anticipated tracks showing impacts of the first beginning tomorrow Thursday, January 20, 2022, and the second arriving shortly after on Friday, January 21, 2022. The National Weather Service is still refining its forecasts based on real-time data, but initial forecasts are predicting impactful to highly impactful snow, sleet, ice, and freezing rain across broad swaths of the Commonwealth, to include higher impacts in the same area affected by recent events over the last two weeks. These upcoming weather systems are likely to include additional downed trees, more electrical outages, and significant impacts on travel conditions.

Given the storm's current forecast, the Commonwealth is leaning forward to assist localities, especially those with vulnerable populations to provide support in the complex incident of two large-scale winter weather events, hitting the same portions of the Commonwealth, while also coordinating continued COVID operations. Pre-positioning response assets and supplies will be necessary to assist our local and state partners whose resources have been severely strained by the first event. The Virginia Emergency Support Team plans to activate for this incident.

The anticipated effects of this situation constitute a disaster as described in § 44-146.16 of the *Code of Virginia (Code)*. Therefore, by virtue of the authority vested in me by Article V, Section 7 of the Constitution of Virginia, by §§ 44-146.17 and 44-75.1 of the *Code*, as Governor and Director of Emergency Management and Commander-in-Chief of the Commonwealth's armed forces, I proclaim a state of emergency. Accordingly, I direct state and local governments to render appropriate assistance to prepare for this event, to alleviate any conditions resulting from the situation, and to implement recovery and mitigation operations and activities so as to return

impacted areas to pre-event conditions as much as possible. Emergency services shall be conducted in accordance with § 44-146.13 *et seq.* of the *Code*.

### **Directive**

In order to marshal all public resources and appropriate preparedness, response, and recovery measures, I order the following actions:

1. Implementation by state agencies of the Commonwealth of Virginia Emergency Operations Plan, as amended, along with other appropriate state plans.
2. Activation of the Virginia Emergency Operations Center and the Virginia Emergency Support Team, as directed by the State Coordinator of Emergency Management, to coordinate the provision of assistance to state, local, and tribal governments and to facilitate emergency services assignments to other agencies.
3. Authorization for the heads of executive branch agencies, on behalf of their regulatory boards as appropriate, and with the concurrence of their Cabinet Secretary, to waive any state requirement or regulation, and enter into contracts without regard to normal procedures or formalities, and without regard to application or permit fees or royalties. All waivers issued by agencies shall be posted on their websites.
4. Activation of § 59.1-525 *et seq.* of the Code related to price gouging.
5. Authorization of a maximum of \$350,000 in state sum sufficient funds for state and local government mission assignments and state response and recovery operations authorized and coordinated through the Virginia Department of Emergency Management allowable by The Stafford Act, 42 U.S.C. § 5121 *et seq.* Included in this authorization is \$250,000 for the Department of Military Affairs.
6. Activation of the Virginia National Guard to State Active Duty.

**Effective Date of this Executive Order**

This Executive Order shall be effective January 20, 2022, and shall remain in full force and in effect until February 19, 2022, unless sooner amended or rescinded by further executive order. Termination of this Executive Order is not intended to terminate any federal type benefits granted or to be granted due to injury or death as a result of service under this Executive Order.

#### **DECLARATION OF A STATE OF EMERGENCY DUE TO Severe Winter Weather**

##### **Importance of the Issue**

On this date, January 27, 2022, I declare that a state of emergency exists in the Commonwealth of Virginia to prepare and coordinate our response to severe winter weather. The Virginia Emergency Operations Center has been actively monitoring the movement of a late week nor'easter heading toward Virginia, with anticipated arrival the evening of Friday, January 28, 2022. The National Weather Service is still refining its forecasts based on real-time data, but initial forecasts are predicting impactful to highly impactful snow and high winds across broad swaths of the Commonwealth, and coastal flooding along the Chesapeake Bay and Atlantic Ocean coastlines. These forecasts include higher impacts in the same areas affected by recent events over the last several weeks. This upcoming nor'easter is likely to include additional downed trees, more electrical outages, and significant impacts on travel conditions.

Given the storm's current forecast, the Commonwealth is leaning forward to assist localities, especially those with vulnerable populations to provide support in the complex incident of a large-scale winter weather event, hitting the same portions of the Commonwealth, while also coordinating continued COVID operations. Included in this authorization is \$500,000.00 for the Department of Military Affairs, if it is called to State Active Duty.
6. Activation of the Virginia National Guard to State Active Duty.

### **NUMBER SIXTEEN (2022)**

#### **PROVIDING FLEXIBILITY TO HOSPITALS, HEALTH SYSTEMS, NURSING HOMES, CERTIFIED NURSING FACILITIES, ASSISTED LIVING FACILITIES, EMERGENCY MEDICAL SERVICES, AND OTHER HEALTH CARE PROVIDERS TO COMBAT COVID-19**

By virtue of the authority vested in me as Governor, I hereby issue this Executive Order to provide flexibility to hospitals, health systems, nursing homes, assisted living facilities, certified nursing facilities, and other health care providers to combat COVID-19. This order expires March 22, 2022.

#### **Importance of the Issue**

Over the last two years, Virginia's hospitals, health systems, nursing homes, certified nursing facilities, assisted living facilities, emergency medical services, and other health care providers have been on the frontlines responding to the novel coronavirus (COVID-19) pandemic. The relentless pace of the pandemic has had an innumerable burden on our healthcare system, exacerbating pre-existing workforce shortages and creating new challenges. Our frontline health care workers are tired, facing unprecedented burnout, grappling with their own mental and physical health, but yet, many of them continue to sacrifice time with their loved ones so that they can continue to provide care for their neighbors. Virginia is grateful to these heroes and humbled by their daily service.

Now, the Omicron variant is driving cases due to its highly infectious characteristics bringing both the seven-day average and the total number of hospitalizations across the Commonwealth among their highest points since the pandemic began at 3,742 and 3,673 patients, respectively. The significant increase in hospitalizations, combined with the severe staffing shortages universally experienced across the Commonwealth and nationwide, is placing an unsustainable strain on our healthcare system and health care workforce. To further

compound the strain on the system, hospital emergency departments are also overwhelmed due to a variety of factors including inadequate community-based behavioral health services, at-capacity state psychiatric facilities, and unavailability of testing in the community which limits hospitals' ability to transfer behavioral health and other patients to more appropriate care settings, placing further strains on hospital capacity.

Given these challenges, it is critical that the Commonwealth extends to hospitals, health systems, nursing homes, certified nursing facilities, assisted living facilities, emergency medical services, and other health care providers every available flexibility and waiver necessary to ensure that our healthcare system has the resources needed to care for patients and communities. Any and all measures are needed to expand the workforce, meet surge demand, and leverage other tools and technologies to respond to this crisis, provide relief for our overburdened frontline workers, and ensure their safety and that of their patients.

The General Assembly afforded immunity from certain liability in circumstances such as those presented by the COVID-19 health crisis. §§ Sections 8.01-225.01 and 8.01-225.02 of the Code of Virginia provide certain liability protection to all health care providers during a state of emergency. § Section 44-146.23 of the Code of Virginia provides certain liability protection to public and private agencies and their employees engaged in emergency services activities, which include medical and health services.

### **Directive**

Therefore, on this date, February 20, 2022, I declare that a limited state of emergency exists in the Commonwealth of Virginia due to COVID-19, a communicable disease of public health threat and its impact on the healthcare system and its workforce. The effects of COVID19 constitute a disaster as described in § 44-146.16 of the Code of Virginia (Code). By virtue of the authority vested in me by Article V of the Constitution of Virginia and by § 44-146.17 of the Code, I declare that a limited state of emergency exists in the Commonwealth of Virginia. In order to marshal all public resources and appropriate preparedness, response, and recovery measures, I order the following actions:

1. I authorize for the Commissioner of the Virginia Department of Health, the Commissioner of the Department of Behavioral Health and Developmental Services, the Director for the Department of Medical Assistance Services, the Commissioner of the Virginia Department of Social Services, and the Director of the Department of Health Professions, on behalf of their regulatory boards as appropriate, and with the concurrence of their Cabinet Secretary, to waive any state regulation, and enter into contracts as required to implement this order without regard to normal procedures or formalities, and without regard to application or permit fees or royalties. All waivers issued by agencies shall be posted on their websites.
2. Notwithstanding the provisions of Article 1.1 of Chapter 4 of Title 32.1 of the Code, I further direct the State Health Commissioner, at his discretion, to authorize any general hospital or nursing home licensed or exempt from licensure by the Virginia Department

of Health (VDH) to increase licensed bed capacity as determined necessary by the Commissioner to respond to increased demand for beds resulting from COVID-19, including plans for safely staffing services across the facility. Notwithstanding § 32.1-132 of the Code, I further direct that any beds added by a general hospital or nursing home pursuant to an authorization of the Commissioner under this Order will constitute licensed beds that do not require further approval or the issuance of a new license. Any authorization by the Commissioner to increase bed capacity, and the authority for any resulting increased number of beds, will expire 30 days after the expiration or rescission of this Order, as it may be further amended. To provide relief on existing bed capacity, and notwithstanding § 32.1 of the Code, I also direct the State Health Commissioner to authorize programs to allow hospitals to offer intensive at-home treatment enabled by digital technologies, multidisciplinary teams, and ancillary services consistent with the Centers for Medicare & Medicaid Services (CMS) Acute Hospital Care at Home Program, provided that a hospital has received a waiver from CMS of 42 CFR § 482.23(b)(1) of the Hospital Conditions of Participation.

3. Notwithstanding any contrary provision in Title 54.1 of the Code, in order to relieve the capacity strain on bedside care and support resulting from staffing shortages, a license issued to a health care provider, pharmacist, pharmacy intern, or pharmacy technician by another state, and in good standing with such state, shall be deemed to be an active license or registration issued by the Commonwealth to provide health care or professional services as a health care practitioner of the same type for which such license or registration is issued in another state provided the health care practitioner is engaged by a hospital (or an affiliate of such hospital where both share the same corporate parent), licensed nursing home, certified nursing facility, dialysis facility, the VDH, or a local or district health department for the purpose of assisting that facility with public health and medical and health operations. Hospitals, licensed nursing homes, certified nursing facilities, dialysis facilities, and health departments must submit to the applicable licensing authority each out-of-state health care practitioner's name, license type, state of license, and license identification number within a reasonable time of such health care practitioner providing services at the applicable facility in the Commonwealth.
4. Health care physical or behavioral health providers with an active license issued by another state may provide continuity of care to their current patients who are Virginia residents through telehealth services. Establishment of a relationship with a new patient requires a Virginia license unless pursuant to paragraph 3 of this Order.
5. Physician assistants licensed in Virginia with two or more years of clinical experience may practice in their area of knowledge and expertise and may prescribe without a written or electronic practice agreement.

6. A health care or behavioral health provider may use any non-public facing audio or remote communication product that is available to communicate with patients, provided that such communication product is not inconsistent with the waivers and flexibilities issued by the United States Department of Health and Human Services and the Centers for Medicare and Medicaid Services. This exercise of discretion applies to telehealth services provided for both COVID-19 and for other diagnosis and treatment services unrelated to COVID-19.
7. A licensed practical nurse may administer the COVID-19 vaccine without the supervision of a registered nurse or licensed medical practitioner.
8. Licensed health professionals of health systems or hospitals whose scope of practice includes administration of the vaccine and who have administered the COVID-19 vaccine in a health system or hospital setting may administer the COVID-19 vaccine at any point of distribution that is held in collaboration between a health system or hospital and a local health department without undergoing additional training.
9. A local health department may collaborate with a federal health facility, whether civilian or military, for the purpose of COVID-19 vaccine administration. Federal personnel whose scope of practice includes vaccination may serve with the Medical Reserve Corps after a training and skills assessment as required by VDH.
10. The Department of Medical Assistance Services (DMAS) shall suspend pre-admission screening pursuant to § 32.1-330 of the Code. All new nursing home and assisted living facility admissions will be treated as exempted hospital discharges. Community based LTSS screening teams shall be exempt from face-to-face screenings and may screen for nursing home and assisted living facility admissions from a community setting or waiver services using telehealth or telephonic screening.
11. DMAS shall waive requirements pursuant to § 32.1-325(A)(14) of the Code concerning certificates of medical necessity. Any supporting verifiable documentation requirements are waived with respect to replacement of durable medical equipment (DME). DMAS shall also suspend enforcement of additional replacement requirements for DME, prosthetics, orthotics, and supplies that are lost, destroyed, irreparably damaged, or otherwise rendered unusable, such that the face-to-face requirement, a new physician's order, and new medical necessity documentation are not required for replacement equipment.
12. Any health care provider as defined in §32.1-127.1:03 of the Code, or any other person permitted by law to administer the COVID-19 vaccine, who administers COVID-19

immunizations, shall report to the Virginia Immunization Information System in a manner consistent with the Virginia Immunization Information System Regulations.

13. The number of technicians a pharmacist may supervise shall be increased. No pharmacist shall supervise more than five persons performing the duties of a pharmacy technician at one time. Pharmacy technicians performing COVID-19 administrative tasks will not be counted in the ratio count.
14. Emergency Medical Services (EMS) agencies shall continue to coordinate and work with health care providers to address the overwhelming demands and capacity shortages being experienced by EMS agencies and other first responders. This includes strategies to manage and coordinate pre-hospital care as well as patient discharge and transport.
15. Temporary nurse aides practicing in long term care certified facilities under the federal Public Health Emergency 1135 Waiver may be deemed eligible by the Board of Nursing to take the National Nurse Aide Assessment Program examination upon submission of a completed application, the employer's written verification of competency and employment as a temporary nurse aide, and provided no other grounds exist under Virginia law to deny the application.
16. Copays required under § 32.1-351(C) of the Code for Virginians receiving health insurance through the Family Access to Medical Insurance Security Plan are waived.
17. Personal care, respite, and companion providers in the agency- or consumer-directed program, who are providing services to individuals over the age of 18, may work for up to 60 days, as opposed to the current 30-day limit in § 32.1-162.9:1 of the Code, while criminal background registries are checked. Consumer-directed Employers of Record must ensure that the attendant is adequately supervised while the criminal background registry check is processed. Agency providers must adhere to current reference check requirements and ensure that adequate training has occurred prior to the aide providing the services in the home. Agency providers shall conduct weekly supervisory visits through telehealth methods when the aide works prior to receiving criminal background registry results. This section does not apply to services provided to individuals under the age of 18, with the exception of parents of minor children in the consumer-directed program.
18. Requirements under § 2.2-4002.1 of the Code related to the 30-day advance -public notice and comment period are waived as to DMAS only, so that DMAS can issue Medicaid Memos to ensure that health care providers receive immediate information on flexibilities to ensure access to care for Medicaid members.

## *Executive Order*

### **NUMBER SEVENTEEN (2022)**

#### **RECOGNIZING THE VALUE OF RECYCLING AND WASTE REDUCTION**

By virtue of the authority vested in me as Governor, I hereby issue this Executive Order to recognize the value of recycling, to help create new clean technology jobs, and to help stop food waste.

#### **Importance of the Initiative**

Americans today recycle less than they did a generation ago, yet there are more opportunities for post-consumer recycled products than ever before. Recycling and reuse activities account for over 750,000 jobs nationwide. Food waste comprises the single largest category of waste by volume disposed of in landfills. We need to conserve our natural resources, reduce the amount of recyclable materials and waste that goes into landfills, and promote new clean energy jobs here in Virginia. Recognizing and promoting the importance of recycling has the potential to positively impact the Commonwealth's environment, providing cleaner air and water, as well as create new clean technology jobs.

#### **Directive**

Accordingly, pursuant to the authority vested in me as the Chief Executive Officer of the Commonwealth, and pursuant to Article V of the Constitution of Virginia and the laws of the Commonwealth, I hereby order my administration to take the following actions to address our ideals of environmental stewardship:

## **1. Recognition of the Value of Recyclable Material**

### **A. State Agency Initiative to Encourage Recycling**

It is the policy of the Commonwealth, and all executive branch state agencies, including state institutions of higher education, and their concessioners (Agency or Agencies) to increase awareness of the importance of recycling and better capture recyclable material, as well as encourage the use of post-consumer recycled (PCR) products and biodegradable materials.

In accordance with the State Agency Recycling Initiative, employees of the Commonwealth should be notified of the recyclable material collection areas, including, but not limited to, newspapers, office papers, corrugated boxes, folding cartons, glass containers, plastic bottles, plastic containers, plastic film, and metal cans through clearly visible signage posted in recyclable material collection areas. The signage should include information regarding the value of waste diversion.

It shall be the official responsibility of Agencies to work with the Department of General Services, or building property owners and local waste management companies and recycling facilities, as appropriate, to ensure access to recycling programs that accept all Agency collected materials. .

### **B. Virginia State Parks Plan**

The Department of Conservation and Recreation, shall report to the Secretary of Natural and Historic Resources with an assessment plan for a Virginia State Parks Campaign in accordance with the State Agency Recycling Initiative to determine the necessary resources to increase the capacity to capture recyclable materials, including increasing the recycling receptacles in Virginia's State Parks and necessary requests for resources to implement the Virginia State Parks Plan. The campaign should be developed in partnership with the Virginia Green Travel Alliance to promote the parks' recycling initiatives to the public.

## **2. Making Virginia Home to New Clean Technologies**

A. The Waste Diversion and Recycling Task Force shall discuss ways to encourage new recycling related businesses, including collection, processing and manufacturing facilities, to locate in the Commonwealth and include any recommendations in their next report.

B. Within 12 months the Department of Environmental Quality, in conjunction with the Department of Commerce and other stakeholders as appropriate, will produce a report outlining opportunities for attracting PCR product business entities to the Commonwealth. The report shall identify:

1. The waste-stream requirements for PCR companies to locate within the Commonwealth.
2. Identify incentives offered to PCR companies in other States and identify feasible options in the Commonwealth.

3. Identify potential geographic areas within the Commonwealth to focus on new clean technology business development, with particular emphasis in rural areas.

### **3. Stopping Food Waste**

Food waste is the single largest substance by volume sent to solid waste sites across Virginia and the United States. While Virginia families are struggling to put food on the table and our farmers are struggling to feed their livestock and fertilize their crops we must divert this waste stream to benefit people and farmers in need.

The Department of Environmental Quality in conjunction with the Department of Agriculture and Consumer Services shall work in partnership with large-scale suppliers of food such as food manufacturers, grocery retailers, sports arenas, schools, hotels and banquet facilities to identify appropriate strategies to reduce food waste in their respective sectors by encouraging donations to needy individuals, food for animals or for composting purposes.

### **4. Annual Report to Increase Transparency**

The Department of General Services shall catalog the metric tonnage of the state's recycling program and establish goals by December 31, 2022 for each succeeding year for state agency recycling through 2025.

The Department shall report to the Governor and the Chairs of the House Agriculture, Chesapeake, and Natural Resources Committee and the Senate Agriculture, Conservation, and Natural Resources of the progress of the State Agency Recycling Initiative by no later than December 1, 2022, and each succeeding year.

### **5. Exclusions**

Nothing in this Order shall restrict any Agency from using any items as necessary to respond to any executive action declaring a state of emergency or order of public health emergency that would otherwise be restricted in use by this Order.

This Executive Order rescinds and replaces Executive Order No. 77 (2021) issued by Governor Ralph S. Northam.

**Effective Date**

This Executive Order shall be effective upon its signing and shall remain in full force and effect unless amended or rescinded by further executive order.

Given under my hand and the Seal of the Commonwealth of Virginia this 7<sup>th</sup> day of April 2022.

## Executive Order

NUMBER 19 (2022)

### DEVELOPMENT AND REVIEW OF STATE AGENCY REGULATIONS

#### **Importance of the Initiative**

By virtue of the authority vested in me as Governor under Article V of the Constitution of the Commonwealth of Virginia and under the laws of the Commonwealth, including, but not limited to, §§ 2.2-103, 2.2-4013, and 2.2-4017 of the *Code of Virginia*, and subject to my continuing and ultimate authority and responsibility to act in such matters, I hereby establish policies and procedures in this Executive Order for all rulemakings and other regulatory activity. These policies and procedures shall apply in addition to those already specified in the Administrative Process Act (§ 2.2-4000 *et seq.* of the *Code of Virginia*), agencies' public participation guidelines, and agencies' basic authorizing statutes.

Nothing in this Executive Order shall be construed to limit my authority under the *Code of Virginia*, including to require an additional 30-day public comment period, file a formal objection to a regulation, suspend the effective date of a regulation with the concurrence of the applicable body of the General Assembly, or to exercise any other rights and prerogatives existing under Virginia law. Any failure to comply with the requirements set forth herein shall in no way affect the validity of a regulation, create any cause of action, provide standing for any person under Article 5 of the Administrative Process Act, or otherwise challenge the actions of a government entity responsible for adopting or reviewing regulations.

#### **Preamble**

Regulations are essential to a best in class state government. They are necessary to provide needed explanation and direction of our Commonwealth's laws to our citizens and businesses. Without regulations, the legislature would be forced to draft even more complex laws. However, our regulatory requirements have expanded to encompass almost every facet of our daily lives. Oftentimes these requirements are layered upon the citizens of the Commonwealth without regard to the existing regulatory burdens imposed by prior regulations from the issuing agency or other agencies. Additionally the regulatory process has grown

cumbersome, taking on average two to three years to issue a new regulation.

Currently, many regulatory agencies are exempt from the Virginia Administrative Process Act review process and approximately half of all regulatory actions are also exempt. While the Commonwealth operates a Regulatory Town Hall for regulatory information, not all agencies utilize the website. Most importantly, no standard cost/benefit analysis is conducted on proposed regulations to ensure that our citizens are receiving the best in class government they deserve. Instead, a more limited economic impact analysis is conducted within an abbreviated timeframe.

In order to provide a consistent regulatory approach and review across the entire government, I am creating an Office of Regulatory Management within the Office of the Governor. This new Office will work to ensure that all regulations are reviewed for their impact on local governments, and regulated community and most importantly the private citizens of our Commonwealth. The Office will work to help streamline the regulatory process and provide important institutional controls. An important function of the Office will be to work with each regulatory agency to review all existing regulations, which is required once every four years but has not been consistently or uniformly achieved, to reduce the overall regulatory burden on the public.

### **Applicability**

The policies and procedures in this Executive Order apply to state agencies in the manner described herein.

Rulemakings initiated by executive branch agencies in accordance with Article 2 of the Administrative Process Act shall follow the procedures in the Executive Branch Review process set forth by the Office of Regulatory Management as directed below.

Executive branch rulemakings that are exempt from Article 2 of the Administrative Process Act are required to use the Executive Branch Review process, and all such exempt rulemakings must be posted on the Virginia Regulatory Town Hall according to instructions issued by the Department of Planning and Budget.

All executive branch agencies, including agencies and regulations with a full or partial exemption from either Article 1 or Article 2 of the Administrative Process Act, must comply with the requirements of this Executive Order pertaining to other regulatory activity, including petitions for rulemaking; meeting notices, agendas and minutes; the periodic review of existing regulations; and guidance documents. These other regulatory activities must be posted on the Virginia Regulatory Town Hall.

### **Actions**

As Governor of Virginia, I hereby instruct and delegate:

1. The Office of Regulatory Management should establish its own policies and procedures for regulatory review consistent with the laws of Virginia and as approved by the Chief of Staff and Governor by July 30<sup>th</sup> 2022.
2. These policies and procedures from the ORM should include:
  - a. The oversight and implementation of a 25% reduction in regulatory requirements;

- b. The oversight and implementation of the streamlining of the regulatory/permitting approval processes of all agencies to achieve a substantial shortening of the time required for an approval [or rejection]; and
  - c. The increased transparency of all state executive branch regulations by requiring the posting on Townhall.Virginia.Gov of all regulatory stages and an enhanced regulatory package including benefit-cost analysis and other impact analysis.
3. All executive branch agencies shall prepare a unified regulatory plan by July 1<sup>st</sup> of each year that lists all anticipated rulemaking activities during the subsequent state fiscal year.

**Effective Date of the Executive Order**

This executive order replaces EO 14 (as amended, July 16, 2018) issued by Governor Ralph S. Northam, which expires on today’s date. The policies and procedures which are adopted by the Office of Regulatory Management shall establish the regulatory review process. Executive Directive 1 issued by Governor Glenn Youngkin on January 15, 2022 is hereby amended and reenacted to require a 25 percent reduction in regulatory requirements instead of a reduction in regulations. This Executive Order shall become effective on July 1, 2022, and shall remain in full force and effect until June 30, 2026, unless amended or rescinded by further executive order. These policies and procedures shall apply to all rulemaking actions and other regulatory activity initiated on or after July 1, 2022.

Accordingly, I direct state and local governments to render appropriate assistance to respond to this event, to alleviate any conditions resulting from the situation, and to implement recovery and mitigation operations and activities so as to return impacted areas to pre-event conditions as much as possible. Emergency services shall be conducted in accordance with § 44-146.13 et seq. of the Code.

All waivers issued by agencies shall be posted on their websites.
4. Activation of § 59.1-525 et seq. of the Code related to price gouging.
5. Authorization of a maximum of \$1,000,000 in state sum sufficient funds for state and local government mission assignments and state response and recovery operations authorized and coordinated through the Virginia Department of Emergency Management allowable by The Stafford Act, 42 U.S.C. § 5121 et seq. Included in this authorization is \$500,000.00 for the Department of Military Affairs.
6. Activation of the Virginia National Guard to State Active Duty.

##### **Importance of the Issue**

The Virginia Emergency Support Team (VEST) has been monitoring heavy rainfall and severe flash flooding events that began moving through the Commonwealth on July 27. This event presents significant resource and operational challenges as some portions of Virginia have experienced several days of rainfall and storms with additional rainfall forecasted in the days ahead. The effects of this weather system has already caused flash flooding and significant impacts to roadways and utilities in multiple localities.

The Commonwealth is assisting with ongoing response and recovery operations. Providing response assets and supplies will be necessary to assist our local partners, and the VEST will continue to support this incident.

#### **DECLARATION OF A STATE OF EMERGENCY DUE TO HURRICANE IAN**

##### **Importance of the Issue**

The Virginia Emergency Operations Center has been monitoring Hurricane Ian that, as of 0500 this morning, was located 75 miles WSW of Naples, FL, moving at 10 mph. Ian is expected to make landfall in Florida this afternoon as a catastrophic Category 4 hurricane. Although the forecasted tracks will become more certain in the coming days, Virginia is leaning forward given the likelihood of severe rainfall, flooding, wind damage, tornadoes, and other storm-related impacts as Ian moves north into the Commonwealth and neighboring jurisdictions. The effects of this weather system are also likely to cause significant impacts to infrastructure, roadways, and utilities. Pre-positioning supplies will be necessary to assist our local partners, and the Virginia Emergency Support Team will continue to support this incident.

The anticipated effects of this situation constitute a disaster as described in § 44-146.16 of the Code of Virginia (Code). **NUMBER 23 (2022)**

### **EXECUTIVE REVIEW OF COVID-19 PENALTIES**

By virtue of the authority vested in me as Governor, I hereby issue this Executive Order to review the disciplinary actions taken against private individuals, businesses, and non-profits purportedly as a result of the public health emergency related to COVID-19.

#### **Importance of Initiative**

The Commonwealth of Virginia continues to recover from the effects of COVID-19. For too many individuals, businesses, and non-profits, this includes measures resulting from guidelines imposed during the public health emergency. Due to state action, businesses in Virginia were prohibited from allowing entry, service, or access to their premises, putting their existence at risk. Individuals were prohibited from working and carrying on important daily activities. Because of the sweeping impact of these measures, I am directing the Commonwealth to review the disciplinary actions taken against private individuals and businesses and take corrective action where appropriate.

#### **Directive**

All state agencies shall report to the Secretary of Finance no later than January 15, 2023 all fines, fees, interest imposed, and all other disciplinary actions imposed on all individuals, businesses, and non-profits, including any withdrawal, suspension, or cancellation of an individual's license and/or certification resulting from violations of COVID-19 practices, guidelines, rules, or operating procedures and any state contracts that were not granted as a result of noncompliance with COVID-19 guidelines.

The Secretary of Finance or his designee shall review all such disciplinary actions and make recommendations to the Governor on what if any corrective action can be taken under the law.

For purposes of this Directive, “state agency” should be construed broadly and includes:

- Secretariat Offices
- Executive Branch Agencies
- Institutions of Higher Education; and
- Authorities, Boards, and Commissions established within the Executive Branch by the Code of Virginia or designated under a Secretariat in the Code of Virginia

**Effective Date of the Executive Order**

This Executive Order shall be effective upon its signing and shall remain in force and effect unless amended or rescinded by further executive order or directive. Given under my hand and under the Seal of the Commonwealth of Virginia, this 6 day of December, 2022.

NUMBER 24 (2022)

### BANNING THE USE OF CERTAIN APPLICATIONS AND WEBSITES ON STATE GOVERNMENT TECHNOLOGY

#### **Importance of Initiative**

Safeguarding data and ensuring cybersecurity are increasingly important aspects of state government, as evidenced by the sensitive information held on state government servers, such as health records or tax information. Information technology infrastructure has become an integral part of the routine operations of state government and a critical component of serving the citizens of the Commonwealth.

Applications and websites such as TikTok and WeChat provide foreign governments, such as the Chinese Communist Party, with the potential to gain access to the information stored on mobile devices, including location services and browsing history.

As a result of the growing concern over foreign cybersecurity threats, the Department of Defense has already issued a directive to all service members to remove applications from their government-issued or owned devices. Further, the Federal Bureau of Investigation has expressed concerns about applications that could be used by the Chinese government to control software or data collection on devices that would compromise sensitive or personal information.

#### **Directive**

Accordingly, pursuant to the authority vested in me in Article V of the Constitution of Virginia and as the Chief Executive of the Commonwealth, and pursuant to § 2.2-103 of the *Code of Virginia*, I hereby direct and order that no employee of any agency of the Commonwealth of Virginia shall download or use TikTok or WeChat applications or any other applications developed by ByteDance Limited or Tencent Holdings Limited or visit the TikTok or WeChat website on any government-issued devices, including state-issued cell phones, laptops, or other devices capable of connecting to the internet except for public safety purposes.

Further, no person or entity contracting with the Commonwealth, including but not limited to all agencies, boards, commissions, institutions of higher education, or authorities, or agents thereof, may download or use TikTok or WeChat applications or any other application developed by ByteDance Limited or Tencent Holdings Limited, or visit the TikTok or WeChat websites on state-owned or leased equipment.

Any employee of the Commonwealth, or person or entity contracting with the Commonwealth, who has already downloaded TikTok or WeChat applications or any other applications developed by ByteDance Limited or Tencent Holdings Limited to any government-issued devices as listed above are hereby directed to remove, delete, and uninstall these applications by December 31, 2022.

### **Additional Directive**

No person shall access TikTok or WeChat or any other application developed by ByteDance Limited or Tencent Holdings Limited through Commonwealth owned, operated, or maintained wireless network.

This applies to all Executive Offices, Secretariat Offices and Executive Branch Agencies under Virginia Information Technologies Agency. Other units or entities of state government shall comply with this directive in the manner which best suits their information technology capability and network security needs.

Accordingly, the Virginia Information Technologies Agency is directed to restrict access to these websites and applications in accordance with this Executive Order.

An authorized information technology officer or chief administrative officer for all Executive Branch Agencies shall send written confirmation and report of compliance with this directive to the Secretary of Administration by January 15, 2023.

### **Effective Date of the Executive Order**

This Executive Order shall be effective upon its signing and shall remain in force and effect unless amended or rescinded by further executive order or directive. Given under my hand and under the Seal of the Commonwealth of Virginia, this 16<sup>th</sup> day of December, 2022.

## Executive Department

### **EXECUTIVE DIRECTIVE NUMBER ONE (2022)**

#### **LAYING A STRONG FOUNDATION FOR JOB CREATION AND ECONOMIC GROWTH THROUGH TARGETED REGULATORY REDUCTIONS**

By virtue of the authority vested in me as Governor, I hereby issue this Executive Directive to reduce the regulatory burden on businesses and citizens across our Commonwealth.

#### **Importance of the Initiative**

Excessive regulation imposes a significant burden on Virginia's economy. Restrictions, prohibitions, and requirements can exist within the administrative code for years without review, while new laws and regulations are steadily added. The growing regulatory burden on businesses and individuals requires time, money and energy for compliance. This represents opportunity loss that inhibits job creation and economic growth.

Nearly four years ago, the General Assembly passed House Bill 883 (2018), directing the Department of Planning and Budget ("DBP") to administer a three-year regulatory reduction pilot program. This pilot program identified important information about our regulatory processes, including a concerning lack of consistency across agencies, that underscores the need to review and address agencies' regulatory capabilities. Further, the program provides important guideposts for the 25 percent regulatory reductions that should be pursued across the Executive Branch.

#### **Directive**

Accordingly, pursuant to the authority vested in me as the Chief Executive Officer of the Commonwealth and pursuant to Article V of the Constitution of Virginia and the laws of the Commonwealth, I hereby direct all Executive Branch entities under my authority to initiate regulatory processes to reduce by at least 25 percent the number of regulations not mandated by

federal or state statute, in consultation with the Office of the Attorney General, and in a manner consistent with the laws of the Commonwealth.

I hereby further direct the Secretary of Finance provide me with a report providing the following information dealing with promulgation of regulations related to regulatory reduction as authorized by House Bill 883 (2018):

- Recommendations for ensuring complete documentation of any specific legislative mandates directing agencies to promulgate regulatory requirements;
- An inventory of all exemptions from the Administrative Process Act and analysis of whether continuing these exemptions is in the best interests of the citizens of the Commonwealth. Such analysis shall also provide recommendations for legislative action to implement these recommendations;
- Recommendations on additional efforts needed to ensure consistency across agencies in the approach to regulatory development and review;
- Recommendations for improvements to the existing periodic review process, including documenting the statutory authority and certifying the number of regulatory requirements in the regulation at the time of review;
- The feasibility and effectiveness of expanding the regulatory reduction pilot program to other agencies; and
- The feasibility and effectiveness of implementing a 2-for-1 regulatory budget.

The Secretary is authorized to utilize staff of the Department of Planning and Budget in preparing this report. All Executive branch agencies are directed to cooperate with all requests from the Secretary of Finance and Department of Planning and Budget in carrying out this Executive Directive.

**Effective Date**

This Executive Directive shall be effective upon its signing and shall remain in force and effect unless amended or rescinded by future executive order or directive.

### **EXECUTIVE DIRECTIVE NUMBER TWO (2022)**

#### **ENSURING PRIVACY PROTECTIONS AND INDIVIDUAL RIGHTS OF EXECUTIVE BRANCH EMPLOYEES**

By virtue of the authority vested in me as Governor, I hereby issue this Executive Directive to ensure the health care privacy of Executive Branch Employees against COVID-19 vaccination requirements.

#### **Importance of the Initiative**

The Commonwealth of Virginia remains committed to providing a safe workplace for all state employees. We will continue to ensure that every Virginian has access to the information necessary to make an informed decision about the COVID-19 vaccination and ensure all who desire a vaccination can obtain one. However, the requirement of state employees to receive the COVID-19 vaccination and disclose their vaccination status or engage in mandatory testing is harmful to their individual freedoms and personal privacy. My Administration will not require that these interests be sacrificed as a condition of employment in the Executive Branch of our government.

#### **Directive**

Therefore, by virtue of the authority vested in me as Governor, by Article V, Sections 1 and 7 of the Constitution of Virginia, and by § 2.2-103 of the *Code of Virginia*, I am rescinding Executive Directive Number 18 (2021) and direct the following:

1. The Department of Human Resource Management shall work with private providers to ensure that vaccines and boosters are available to state employees and shall share provider information with all Executive Branch Employees.
2. The Department of General Services shall work with private providers to ensure that KN95 masks are available to employees and visitors at every state building.
3. No Executive Branch Employees shall be required to be vaccinated or required to disclose their vaccination status as a condition of their employment.
4. All Executive Branch employees may refer to the Department of Human Resource Management policy on COVID-19 “Public Health Emergency Leave” as revised or updated for information about paid time off for those diagnosed with COVID-19.
5. All Executive Branch employees may refer to the Department of Human Resource Management policy on teleworking and communicate with the appropriate personnel at their agency to determine if they are eligible to telework.
6. The requirements in this order do not otherwise restrict agencies under the direction of the Governor from instituting COVID-19 screening protocols that may be necessary to mitigate the spread of COVID-19, consistent with the policies established by the Department of Human Resource Management.
7. No documentation identifying an individual’s COVID-19 vaccination status shall be shared with a third party.
8. Nothing herein shall be construed to interfere with Executive Branch Employees’ rights to access their own personal health information under state or federal law.
9. Any agency that determines that a federal requirement applies to any of its offices or programs that is inconsistent with the provisions of this Directive shall notify their respective Secretary or my Chief of Staff, following consultation with the Office of the Attorney General.

For purposes of this Directive, “Executive Branch Employees” should be construed broadly and includes but is not limited to employees in the following offices, agencies, institutions, and authorities:

- Office of the Governor;
- Office of the Lieutenant Governor;
- Secretary of the Commonwealth;
- Executive Branch Agencies;
- Institutions of Higher Education; and

- Authorities established within the Executive Branch by the Code of Virginia or designated under a Secretariat in the Code of Virginia.

**Effective Date**

This Executive Directive rescinds Executive Directive Number 18 (2021).

This Executive Directive shall be effective upon its signing and shall remain in force and effect unless amended or rescinded by future executive order or directive.

### **EXECUTIVE DIRECTIVE NUMBER THREE (2022)**

#### **ADDRESSING TEACHER SHORTAGES IN VIRGINIA SCHOOLS**

By virtue of the authority vested in me as Governor, I hereby issue this Executive Directive to address the Commonwealth's teacher shortages by removing obstacles that prevent qualified individuals from filling critical vacancies.

#### **Importance of the Initiative**

Consistent with national trends, Virginia is seeing teacher shortages. There are few professionals who are more dedicated and hardworking than teachers. Educating Virginia's children requires a strong teacher pipeline and workforce. Recruiting, growing, and retaining high-quality teachers is crucial to ensuring a best-in-class education for our students. One of my Administration's top priorities is to ensure we provide a great teacher for every classroom in every school in Virginia.

The widening achievement gaps in the latest results from our Standards of Learning state assessments demand action. Our children are still recovering from devastating learning loss and other effects of school shutdowns. We must pursue a comprehensive approach to supporting teacher recruitment and retention efforts.

#### **Directive**

Accordingly, pursuant to the authority vested in me as the Chief Executive Officer of the Commonwealth, and pursuant to Article V of the Constitution of Virginia and the laws of the Commonwealth, I hereby direct my administration to take the following actions to address the current teacher shortage:

1. The Superintendent of Public Instruction shall use all discretion within law to issue teaching and renewal licenses, including to teachers licensed in another state and retired teachers whose licenses may have lapsed.
2. The Superintendent of Public Instruction shall coordinate with the Virginia Retirement

System to ensure that all vacant K-12 teaching positions are classified to allow retired teachers to fill them.

3. The Secretary of Education shall collaborate with the Superintendent of Public Instruction, the Secretary of Finance, the Secretary of Labor, and the Commissioner of the Department of Labor and Industry to develop additional legislative proposals to reduce red tape associated with teacher licensure, while ensuring high standards, in order to recruit more out of state teachers, retired teachers, career switchers, military veterans and other professionals with much to offer students.
4. The Superintendent of Public Instruction shall target teacher recruitment and retention efforts to the communities and subject areas most in need by:
  - a. targeting discretionary grants for teacher recruitment and retention bonuses to school divisions with the highest and most persistent teacher vacancy rates;
  - b. coordinating teacher recruitment and retention dollars to maximize teacher benefits;
  - c. targeting recruitment incentives toward existing, previously filled positions, rather than those newly established through the federal government's COVID-19 relief funds which expire in 2024;
5. The Superintendent of Public Instruction and the Commissioner of the Department of Labor and Industry shall establish a registered teacher occupation apprenticeship program with school divisions and educator preparation providers to train and license new teachers, including paraprofessional educators.
6. The Superintendent of Public Instruction shall issue a statewide model policy to establish childcare specialist apprenticeship opportunities for high school students.
7. The Secretary of Education shall develop policies, including any potential legislation, to support childcare operating inside of schools to benefit both teachers and local families.
8. The Superintendent of Public Instruction shall ensure that all teachers who are eligible are fully informed of their opportunity to apply for the Child Care Subsidy Program, a public-private parent choice program that serves as a national model for early childhood education and care, as well as other child care opportunities.
9. The Superintendent of Public Instruction shall expand and improve the annual survey of school divisions to identify critical, unfilled teaching positions, emphasizing those needed to meet the Standards of Quality. The Superintendent of Public Instruction shall develop and annually administer a qualitative survey for all returning teachers to identify what is working, as well as all exiting teachers to identify the main causes of teachers transitioning jobs or leaving the profession.

**Effective Date**

This Executive Directive shall be effective upon its signing and shall remain in force and effect unless amended or rescinded by further executive order or directive. Given under my hand and under the Seal of the Commonwealth of Virginia this 1st day of September 2022.
